News:

Hello Hornets,

Welcome back to campus!

I am honored to be the elected ASI Vice President of Finance for the academic year 2021-2022. I am a fourth year first generation student majoring in Public Health with a minor in Real Estate Finance. Since elected into office June 2021, this opportunity has been such a great learning experience. I work alongside a great group of directors and administration who's efforts is to prioritize students and provide student services. As an Executive Director, I will value ASI's mission by recognizing the voice of Sacramento state students. Not only will I contribute to their mission but also their vision to be a student body that creates an empowered community.

In Conclusion, I am looking forward to making a difference at Sacramento State by focusing on our strategic priorities, and serving the students with the best of my ability.

Committee Updates:

ASI Finance & Budget Council

Serving as the Chair

The F&B committee starts September 21st, and will be held every other Tuesday from 3pm-5pm in the Capital Room, University Union. This committee will oversee and manage all financial aspects of ASI, and focus on reviewing/creating ASI yearly budget. I am using my social media platform to

outreach to students to join this committee. I have posted social media flyers with detail of how to join the committee and what this committee is all about.

ASI Scholarship Committee

Serving as the Chair

I have held a meeting with Corinne based on the ASI Scholarship committee and its deadlines. This committee will be grading, managing, and reading ASI Scholarships, and will have no set meetings but a time given to read and grade each Scholarship essay anonymously. The applications for fall 2021 scholarships, open up to all students on Sept. 24, 2021 and due on Oct. 22, 2021. Students will have access to the application via their student center, ASI website and on Hornet Hub. I will have flyers posted via social media soon, and will be looking for members to constructive a strong and effective committee.
