News:

Hey Hornets! Hopefully everyone's fall semesters got off to a good start and as we approach midterms everyone is still doing well! This second month of the school year I have been just as active as the first on ensuring our university committees are as full as they can be and that our student voice is represented on the various university committees that I sit on. This last month, I have been primarily focused on trying to fill our university committees and meeting with as many students as possible to get our students on board as quickly as possible and added to committees. I have done this by doing classroom presentations along with reaching out to all students who have been submitting committee interest forms that indicate interest in our university committee positions.

Along with this, I have been actively discussing with our OGA team the CIVIC Challenges as they arise and game planning how we will be able to win for a second year in a row. I assisted with their voter registration tabling and with advocating for legislation that would assist college students in understanding the cost of attendance of the university they choose to attend. I am also excited to say that we now have a full Board of Directors for this school year, with our appointment of the Education Director coming at our special board meeting last Wednesday. Overall, I feel our Board is making great progress so far this year and will be on track to have a great semester and beyond.

Committee Updates:

Alumni Association Board of Directors: Committee has not met since my last board report, but I have sent in a bio to be used on the website along with my picture for their 2019-2020 roster

Union Well Inc. Board of Directors: Met for the first time on September 18th, was elected Vice Chair of the Board.

Sexual Assault Prevention Student Advisory Committee: Meeting dates have been set for every other Tuesday from 4-5, but our first meeting was canceled due to lack of student interest up to the day of
