### **A Special Note to Our Hornets**

Hi Hornets!

To all students: take pride in the effort you put in every single day. Balancing academics, work, and personal life isn't easy, but every step you take is progress. Don't forget to celebrate small wins along the way and give yourself permission to rest when needed.

Your time as a student isn't just preparation for the future — it's also a moment to grow, explore, and enjoy the present.

STINGERS UP!

Best,  
Aadil
