A Special Note to Our Hornets

Hi Hornets!

As we wrap up the semester and head into finals, I want to remind you to take pride in everything you've accomplished so far. Balancing classes, work, family, and personal life is no small task — every effort you've made counts. Remember to take breaks, pace yourself, and give your mind and body the rest they deserve.

You've worked hard, and you're stronger than you think. Finish the semester with confidence, and know that it's okay to ask for help, slow down, or breathe when things feel overwhelming.

Wishing you all the best on your finals and a peaceful, joyful winter break ahead. Recharge, celebrate your achievements, and come back refreshed for the new year.

STINGERS UP! 🍀🍀

Best,
Aadil
