ECSJC Expo: This is a exposition of clubs that ECSJC plans and runs every year. The purpose is to showcase the clubs and interact with the university. Families, staff, high schoolers are also invited to come out and see what the college of ECS has to offer. ECSJC has been busy organizing the event, planning, and increasing participation.

ECS Student Recognition Award: I spent most of my break reviewing applications and forwarding the most qualified candidates to the deans for further review.

Committee Updates:

Academic Information Technology Committee (AITC):

Academic Senate: Reviewed and gave feedback to the new AI Policy. Still a work in progress, many students are voicing their difficulties with the Ai Detection Turnitin tool.

Strategic Priority Updates:

1.1.1: Actively promoting the upcoming Voter Education Events, Attended Voter Education Event 9/24
