<u>A Special Note to Our Hornets</u>

Hello Hornets!

We are almost over with the semester. I hope you all are doing well with your classes and also mentally. This semester has been a challenge for most of us so take a time to breath and do some self-care. I know school can be difficult but there are resources to help you succeed such as:

ECS Tutoring Service:
https://www.csus.edu/college/engineering-computer-science/student-success/ecs-tutoring.html

ECS Career Services:
https://www.csus.edu/college/engineering-computer-science/student-success/career-services/

Student Health & Counseling:
https://www.csus.edu/student-life/health-counseling/

Also, it is time to vote in the 2021-2022 ASI Student Government Elections. You can vote beginning Wednesday April 7 and 8th!

Best wishes for continued success,
Karla D Lozada Guerra

Internal Committee Updates

Student Academic Senate
Attended all meetings this semester

ASI Student Outreach & Marketing Committee
Attended all meetings this semester

University Committee Updates

Web Content Advisory Committee
Attended all meetings this semester

IT Advisory Board Meeting
Attended all meetings this semester

Strategic Priority Updates

1.1.1   *Survey all students to identify areas of financial hardships, with a particular focus on Black, Indigenous, people of color (BIPOC), first generation college students and underserved students.*

I joined the Student Marketing and Outreach Committee to create a survey for students. We focused on surveying students on Social Connections and Productivity. We choose those topics because we are able to find solutions for problems relating social connections and productivity.

On the committee, we decided to extend the deadline for the survey so we can have more answers from students.

4.2. Encourage BIPOC community with ASI Board of Directors Elections

To encourage the BIPOC community, I attended different clubs inside of the college of ECS to present information about elections and explain the importance to have leadership positions.

Current Project Updates

ECS Joint Council
- The ECS Joint Council General Meeting had 15 clubs were represented.
- ECSJC Event planning for students

Office Hours
List of activities that took place during your office hours, below.
- Prepare presentations for classroom presentation.
