A Special Note to Our Hornets

Hello hornets! First of all, welcome back to the campus. I hope you are having a wonderful semester of school, and I am pretty sure that it will become better for the rest of the semester. I am so glad that I got this wonderful opportunity to serve my fellow ECS Hornets of Sac State. I know I need to fill big shoes so I will try my best to improve the ECS department for upcoming and current students.

The ASI Board of Directors is always available for students and will help them to solve their problems whether it's related to the class, department, or campus. We will try our best to make things available and bring the best to you. If you have any questions related to the ECS College, please stop by ASI Office during my office hours or you can send me an Email.

Stay Safe and Healthy Hornets!
