A Special Note to Our Hornets

Hello Hornets!

I hope you all have had a wonderful first month of the semester, that you are all adjusting well and gearing up for midterms!

I am so honored to be in a position to help not just ECS students, but students at large. I have worked so closely with the ECS clubs, joint council and ECS department over the past 4 years, I am excited to see what we can do together. I am passionate about helping students reach their fullest potential.

Feel free to come by my office hours, even if you do not have any questions. I would love to talk about internships, interviews, clubs and more!

Thank you all for your time and this opportunity!
