Introduction

Hello Hornets!

My Amaka is My name is Amaka, and I'm your Vice President of University Affairs. I hope the school year has been treating you all well so far! As we get deeper into midterm season, make sure to take care of yourselves and prioritize rest when you can. If you have any questions or need support, please don't hesitate to reach out.

News

- I'm currently working to bridge the gap between Athletics and ASI. As part of that, I plan to meet with the Student-Athlete Advisory Committee (SAAC) to find ways we can collaborate. This effort also aligns with one of our strategic priorities, JEDI (Justice, Equity, Diversity, and Inclusion), which focuses on strengthening collaboration across our campus community.

- There was another SVAT (Sexual Violence Awareness Team) meeting, which Anna attended as my designee. The team has some important things coming up, especially since October is Domestic Violence Awareness Month. Upcoming events include Love Fest on October 20th from 11-2 at the Quad, a Sexual Awareness Lunch on October 30th, and a Teaching Safety Issues During These Political Times event. This is such a great team—they really emphasize finding different and creative ways to reach students and raise awareness.

- I've had about two WSSAC committee meetings so far, which are reflected below. The committee has been slowly growing, and in our last meeting, we went over introductions and came up with

Vice President of University Affairs

ideas on how to better reach the student body, especially incoming freshmen. We're also planning to help SVAT with some of their upcoming events in October. I'm still looking for more people to join this committee, so if you know anyone interested, please let me know! Learning how to run my own committee has been such a great and rewarding process.

September Total Committee Appointments

Between University appointments and recommendations to the President, I have appointed **30** students during September. I'm looking forward to seeing that number continue to grow as we move further into the semester.
