A Special October Note to Our Hornets

Hello Hornets, welcome back! We hope your break was filled with rest, wellness, and meaningful time with family and loved ones.

As the semester continues, we encourage you to take advantage of the many campus resources available to you. Consider joining a club or committee to get involved, build community, and make the most of your time here at Sac State.

And to our spring graduates — you are almost at the finish line! Stay strong, keep pushing, and finish the semester proud of how far you've come.

You've got this, Hornets; stay grounded, stay grateful, and as always, *stingers up!*

Internal Committees:

Yesterday, February 2, My Internal Committee on Wellness, Safety, and Sexual Assault held its first meeting of the semester. During the meeting, we discussed our upcoming energy drink campaign and were able to clearly outline our goals and direction for the semester.

We also had meaningful conversations about what we would like to see moving forward and how the committee can become more involved within the campus community. There are some exciting collaborations in the works with clubs across campus as we continue to promote student wellness, safety, and awareness.

University Committees

Union Well Committee Update

- The Union Well Committee has been meeting regularly throughout the academic year. We met twice during the fall semester and will be meeting three times this spring. Our next meeting is scheduled for next week. More updates to come as we continue our work this semester.

We currently have about 50 students appointed to university committees, which is great to see. However, we are still looking to appoint approximately 20 more students to fill open positions on committees that are still in need of student representation.
