A Special Note to Our Hornets

Hello Hornets,

I am incredibly excited to begin this academic year serving as your Vice President of University Affairs. My goal is to make sure student voices are heard, represented, and included in the conversations and decisions happening across our campus.
I encourage every Hornet to get involved, share your experiences, and never hesitate to reach out to ASI. Whether you have a concern, an idea for improving our campus, or simply want to learn how you can get involved, I am here to listen and support you.
I look forward to working alongside all of you and making this a meaningful and successful year for our Hornet community.
