## Report to the ASI Board of Directors

Board Meeting Date: March 19, 2025

Submitted by Margaret Hwang (Vice President for Administration/CFO Designee)

### 1. **APIDA College Day Participation**

On behalf of the planning committee, I would like to extend our sincere gratitude to ASI for participating in the 7th Annual APIDA College Day. The event hosted over 1,000 students and included a vibrant resource fair, where ASI hosted a table. Based on the evaluations received from students and school chaperones, the event was a success and significantly boosted engagement with high school students interested in attending Sacramento State.

### 2. **Interim VP/CFO Appointment**

While the formal recruitment process for a permanent Vice President/Chief Financial Officer (VP/CFO) is ongoing, the President's Office has appointed Chris McAlary as the interim VP/CFO. He will serve in this interim capacity until the position is formally filled. The anticipated start date for the new incumbent is June 2025.

### 3. **Instructionally Related Activities (IRA) Proposal Window**

The proposal window for Instructionally Related Activities (IRA) is open through March 28. The IRA fee is paid by students to support essential educational experiences and activities that enhance and supplement the University's core academic mission. Please continue to announce that IRA funds are available, including for Greek Life organizations. More information is available on the IRA website: [IRA Website](#).

### 4. **Summer Session Registration**

Summer Session registration begins on April 7 for continuing students. Registration for students admitted for Fall 2025 begins on May 7. Students with holds on their records will not be able to enroll in courses until the hold is cleared. There are two six-week sessions and one full 12-week session offered. More information is available on the College of Continuing Education website: [Summer Session Information](#).
