A Special Note to Our Hornets

Hello Hornets!

I'm excited to start this new semester with you all as your ASI Representative for the College of Health & Human Services. Being new in this role, I'm looking forward to meeting more of you, hearing your ideas, and working together to make this year a strong one for HHS students.

The start of a semester can feel overwhelming, but remember, *poco a poco, lo superamos juntos—step by step, we'll overcome it together*. My goal is to create spaces where your voices are heard and your needs are supported, whether through the HHS Joint Council, ASI resources, or during my office hours. I encourage you to take advantage of opportunities like the ASI Scholarships (open now!) and to stay engaged with the events we have coming your way.

Lastly, I would like to invite all students to join us for our upcoming Fall Kick-Off Event, hosted in partnership with three fellow ASI Directors. We look forward to meeting many of you and offering our support and assistance. (please see attached flyer)
