### **A Message to Our Hornets**

Buenos Dias Hornets!

Welcome back to campus! Its so exciting to see everyone return from winter break for the Spring 25' semester! I hope everyone had time to recharge from the Fall, either with friends and family or simply having some days off school. As we begin our new semester, I want to wish everyone the best of luck on their classes, lets stay focused and finish this academic year strong! Even though these are trying and unstable times, remember that we are a community here at Sac State. We support and uplift each other through these unnerving times, and my office hours are always open for students to voice their concerns and be heard. I am eager to get to work this second half of the year and can't wait to see everyone on campus!

Stingers Up!
