### **A Message to Our Hornets**

Buenos Dias Hornets!

I hope everyone's semester is going great as we are reaching the halfway point, I can't believe its already March! There's a lot more work to get done this semester and hopefully everyone feels up to the task to make it through the rest of the spring. I want to remind you that our ASI Scholarships are still open until Friday and we encourage everyone to apply! I'm also excited to let our HHS Clubs know that the Joint Council will be making its return this Thursday! It's a great opportunity to voice your opinions and be heard. As always my office hours are always available for students to meet and let me know what we can do better!
