### **A Message to Our Hornets**

Hello Fellow Hornets,

First off welcome back to campus from spring break! I hope everyone was able to recharge and recover to be ready to prepare for finals! We're so close to the end, just a couple weeks left! Its been an honor to be able to represent you, the students of Human and Health Services and we are always here for you. Feel to drop by office hours or through email if there is anything I can do for you! Hoping everyone has a great April as we come closer to the conclusion of the semester.
