News:

Happy March!

I hope everyone's online transition is going smoothly and you are all staying safe and in good health. For March, we were able to host one nursing focus group, the remaining two have been canceled. And unfortunately, most of my committees are done for the semester or are meeting one final time via Zoom. Many of the events we had planned for HHS including the Health Professions Mixer, Admitted Day, Focus Groups, Diversity in STEM Panel have been canceled or hopefully postponed.

Committee Updates:

Student Health Advisory Committee –

The remainder of the meetings have been canceled for this semester. We are still planning on pushing out the survey we were working on.

The Executive Safety Committee –

One final meeting for the semester via Zoom.

Health and Human Services Joint Council –

The remainder of the meetings have been canceled for this semester.

Health and Human Services Dean Search Committee

Our process for searching for a Dean has been placed on hold. Looking forward to starting up again once things settle down.

Strategic Priority Updates:

Working on finding creative ways to still hold meetings and use our remaining funds to meet our goals and help our students during this difficult time.

Events/Calendar:

Sunday March 8th – Attended CHESS Conference

Monday March 9th – Held first nursing focus group

Tuesday March 24th – Attended a nursing Faculty Teach Zoom
