### **A Special Note to Our Hornets**

Hello Hornets!

I would like to welcome you all back for the Spring 2021 semester and congratulate you for having successfully made your way through the fall semester! There is a lot to look forward to this new calendar year and semester, including a new presidential administration in office, graduations in May for our senior hornets (including myself!), and a whole semester worth of opportunities to learn, grow, and thrive academically and personally. I hope winter break was restorative for you all so that you may avoid fatigue and come back to classes eager to succeed.

I have been diligently at work to push forward an array of initiatives to benefit and enhance the experience of students through the efforts the board and I make to fulfill the strategic priorities that we laid out at the beginning of this academic year. If there is ever any question as to what these priorities are, how you can contribute, or how to suggest an initiative, always feel free to email me or drop into my office hours.

I wish you the best of luck with the new semester.

Warmest regards,

Alejandro Buenrostro
