News:

Happy February!

I hope everyone is having a lovely start to their semester. In February I organized three focus groups for EI nursing students with my Associate Dean, the first one is March 9th. I also submitted my application to the Nursing Program here at Sac State. I helped volunteer for Buzz the Ballot. I attended my committee meetings and look forward to working with those members moving forward in the semester. Scheduled two nursing workshops in the FYE for students.

Committee Updates:

Student Health Advisory Committee –

Going forward with a new survey for students reviewed by Dr. Mink. Survey focuses on how students feel about the food choices offered on campus. This information will be brought to UEI.

The Executive Safety Committee –

Analyzed trees on campus with a tracking software to keep up with maintenance and trimming.

Health and Human Services Joint Council –

Looking to collaborate with other joint councils or clubs to have a donation drive for the Food Pantry.

Strategic Priority Updates:

Trying to get members of my committees involved with green team and the food pantry. Working with ECS to provide professional workshops for their students in the FYE. Spreading the word of voter engagement.
