**News:**

*Happy April!*

*I hope everyone's online transition is going smoothly and you are all staying safe and in good health. For April I hosted a TEAS Workshop for EI Nursing students with the First Year Experience Program. This was my final workshop for the semester. Most of my courses are coming to an end and I am waiting to hear back from the Nursing Program on my acceptance. The only committee I still have active is the Executive Safety Committee, our next meeting has not been scheduled yet, I will still participate in the meetings that take place over summer and prior to the semester starting. It has been an honor serving as the Director of Health and Human Services and I am so grateful for working with such an amazing Board. Please keep in touch!*

**Committee Updates:**

***Student Health Advisory Committee –***

*The remainder of the meetings have been canceled for this semester.*

***The Executive Safety Committee –***

*Will still be meeting periodically over summer and prior to next semester. I will continue serving on this committee.*

***Health and Human Services Joint Council –***

*The remainder of the meetings have been canceled for this semester.*

***Health and Human Services Dean Search Committee -***

*Our process for searching for a Dean has been placed on hold. Looking forward to starting up again once things settle down. I will remain on this committee until it is finished.*

**Strategic Priority Updates:**

*As our term comes to an end, I am glad that we got so much accomplished despite difficult setbacks from COVID-19. I am so proud of everyone and all our contributions to these amazing priorities.*

**Events/Calendar:**

April 16<sup>th</sup> - TEAS Workshop with the FYE

April 21<sup>st</sup> – Executive Safety Committee
