A Special April Note to Our Hornets 🎓❤️

Mabuhay Hornets,

As we close out the academic year, May brings a moment of reflection, celebration, and transition. To our graduating Hornets—congratulations! Your resilience, dedication, and hard work have brought you to this incredible milestone, and we are so proud of all that you have accomplished. As you step into your next chapter, know that you carry with you the strength, knowledge, and spirit of Sacramento State. I also want to recognize and congratulate the members of the ASI Board of Directors who are completing their terms. Your leadership, advocacy, and commitment to serving students have made a lasting impact on our campus community. It has been an honor to work alongside each of you in advancing initiatives that support student success and well-being. As I reflect on my time serving as your Vice President of Academic Affairs over the past two years, I am deeply grateful for the opportunity to advocate for and alongside you. This role has been one of the greatest honors of my time at Sacramento State, and I am incredibly proud of the work we have done together to uplift student voices and strengthen academic experiences. As the semester comes to a close, I encourage you all to take pride in how far you've come—whether you are graduating, continuing your journey, or stepping into new roles. Finish strong, take care of yourselves, and celebrate every accomplishment, big or small.

Thank you, Hornets, for allowing me to serve you. It has truly been an honor.

Jenny G

Your ASI Vice President of Academic Affairs, 2025–2026

Research Impact with Societal Impact

Gerontology and Nutrition, Food & Dietetics have online and hybrid degree options to increase access while preserving experiential learning.

Teaching & Services with AI — COB-led pilots: faculty development sprints, course co-design templates, and evaluation guardrails; assessing AI student-support tools (e.g., chatbot triage for Grad Programs).

ECS is exploring AI integration in curriculum and innovations in heavy civil construction practices.

Our Sacramento Semester, Model UN, Masters in Public Policy and Administration, and Capital Fellows programs, for decades have comprised a critical pipeline to leadership at all levels in the public sector.

Eight Physics students were involved in research experiences off-campus at Livermore National Labs, CERN Large Hadron Collider in Switzerland, and other REU programs nationally

CCE is remodeling Hornet Attain and the Adult Learner Success Center to attract comebackers and adults for degrees, certificates, and micro-credentials for both stateside and self-support programs

Sociology Professor Christopher Rogers is launching new interdisciplinary curriculum in Invention Education

Institute for Social Research and EdInsights continue applied research contributions to region and state

Expand the Center for Health Practice, Policy, and Research (CHPPR) by launching a peer-reviewed academic journal to elevate faculty and student scholarship and increase national visibility.

Looking at our strategic roadmap...

- 1) How can senate's role in curriculum and policy governance become a driving force for institutional advancement?
- 2) What governance practices might need to be examined or adjusted to ensure we're enabling strategic progress?

 - Overall headcount
 - Fall 2024: 30,912 students
 - Fall 2025: 31,307 students (record post-COVID number).
 - Change: +395 students (~ +1.3 %)

Note: Growth continues though at a slower pace than the previous year's ~2.4 % rise. The rise in enrollment for Fall 2024 and Fall 2025 signals positive momentum (especially post-COVID) growth of ~700 students in 2024 and ~395 in 2025.

Metric	Fall 2024	Fall 2025	Change	Notes / Interpretation
Total headcount enrollment	30,912 students.	31,274 students.	+395 students (~ +1.3%)	Growth continues; slower in absolute terms than previous year's +2.4% (Fall 2023→24).

Jenn Galinato

ASI Vice President of Academic Affairs

Context/record status		The 31,307 is described as “the largest fall enrollment post-COVID” at Sac State. (Sacramento State)		Indicates a peak/best performance in recent years.
Growth trend	Fall2024 = +2.4% vs Fall2023.	Fall 2025 = ~+1.3% vs Fall 2024	Deceleration in growth rate	While the upward trend remains, the pace has slowed; worth monitoring.
