A Special Note to Our Hornets

Hello Hornets!

This is my second report as the 2021-22 Vice President of Academic Affairs for ASI and I am thrilled to be serving the students at Sac State in this role for my second term.

I cannot say this past month has been easy. It has been personally very difficult to manage school, personal, social, and ASI life. But despite everything, I am so blessed to continue serving all of you and I am very fortunate to see how things have been unfolding. Please do not hesitate to reach out, get involved, try things you haven't done before, and enjoy the amusing times we are living in. If you want to get more involved with ASI, please attend our board meetings. All meetings are held in person. Dates, times, and agendas are located [here](#).

I look forward to serving each of you equitably.

Best wishes for continued success,

Sadia Ashraf
