A Special Note to Our Hornets

Hello Hornets!

This is my first report as the 2021-22 Vice President of Academic Affairs for ASI and I am thrilled to be serving the students at Sac State in this role for my second term.

My goal is to help students find their passion, whether that would be through ASI or career opportunities. I am also just excited to be an advocate and serve as a voice for my constituents.

Our weekly board meetings are a great way to get information on policies and changes that affect students. Additionally, time is provided for students to voice any comments, questions, kudos, or concerns to the ASI Board, so I invite and welcome you to attend whenever possible.

All meetings are held in person. Dates, times, and agendas are located [here](#).

I look forward to serving each of you equitably.

Best wishes for continued success,

Sadia Ashraf
