*University CFO Designee – Gina Curry*

- 1. *Cap Radio Live & U-Nite*** - The long standing Art & Letters event, formerly in partnership with the Crocker Art Museum, will be held at Cap Radio Live this year. Cap Radio Live is a theater style venue located at the corner of J and 8<sup>th</sup> Streets. This will be the first event at Cap Radio Live. We expect it will be the first of many Sac State performance type events that will happen at this venue. The U-Nite event will be scaled down and happen on two nights, on Thursday, November 14<sup>th</sup> and Friday, November 15<sup>th</sup>. In addition to the Art & Letters performances and presentations, students and faculty from Nutrition (SSIS) and Hospitality (HHS) classes will be involved in planning and participating in the event. Please consider attending in support of our talented students and faculty.
- 2. *Financial Review Town Hall*** – Hosted by Budget Planning and Administration and Academic Affairs, there will be a town hall that will review Sac State's current year budget. This will take place on October 16<sup>th</sup>. Time, modality, and other details will be forthcoming via a Sac Send soon.
