### **A Special Note to Our Hornets**

Hey there, my dear Sac State Hornets!

As my time as your Director of Natural Sciences and Mathematics comes to an end, I wanted to take a moment to express my gratitude for the incredible experience I've had working with you all. It has been an absolute pleasure being a part of this vibrant community, and I feel so lucky to have had the opportunity to work closely with my peers and make lifelong friendships.

To the new director stepping in, I just know that you're going to do amazing things. I can't wait to see all the incredible accomplishments you'll achieve, and I know you'll be a fantastic addition to the team.

**Jadie Beltran**  
Director of Natural Sciences & Mathematics

Although I won't be a Hornet anymore, Sac State will always have a special place in my heart. I'll never forget the incredible memories I've made here, and I'll always be rooting for you all from afar. And while I'm sad to say goodbye, I'm also excited for what the future holds. I'm thrilled to be starting a new chapter next semester at Cal Poly Pomona.

Thank you all for making my time here so special. You're an amazing group of individuals, and I wish you all the very best as you continue to thrive and succeed.

With all my love and best wishes,  
Jadie Beltran
