Special Note for Hornets:

Hello Hornets,

We're nearing the end of the semester, and I know the pressure is building up. It's okay to feel a bit overwhelmed, but take a moment to reflect on how far you've come—you've already accomplished so much!

As we move forward, don't forget to breathe. Prioritize what you can control and give yourself grace. Take it one step at a time, and remember: it's okay to ask for help when you need it—whether it's finding academic support or just taking a breather to reset.

As always, I'm here if you need anything, and so is our campus community. We're all rooting for you!

Warm regards,

Your ASI Director of NSM
