News

Greetings Hornets!

I want to take a moment to thank each and every one of you for the service you have provided our students and our campus this past year as members of the ASI Board. In a period that has been unprecedented in our lifetimes, you have worked to provide students in need the critical support. It is my hope each of you will look back on this time with pride and know the work you have accomplished has made a difference. Thank you!

Sexual Assault Awareness Month Remaining Events

Denim Day

Denim Day is here! Take a picture of yourself wearing jeans or any type of denim with a short message of encouragement to survivors with the hashtag #SAAM21. All pictures will be shared on the Student Health and Counseling Services (SHCS) Instagram on Denim Day, April 28. If interested, post your picture on April 28, tagging the SHCS (@shcssacstate). All submissions will be reposted and students reposting will be entered in a drawing to win a prize. I would encourage everyone to participate!

In addition, you can download the Denim Day Background at:

Take Back the Night

Join the campus for a night of sexual assault awareness. This year, Sacramento State will be hosting Take Back the Night on Friday, April 30, virtually to align with COVID-19 precautions. The event will be filled with student speakers, a message from President Nelsen, a keynote speaker Brittany Piper who will share her testimony, self-care tools, and workshop booklets for students who attend. There will also be an option for students to access a self-care room to find previously recorded events from the month of April. In previous years, a large community march would take place to wrap up this event. This year, students are encouraged to Take Back the Night by walking in honor of this event at any time this weekend. Document your walk and share it with @shcssastate and get the chance to win a prize. Share why you are walking, what this event means to you, how this event has impacted you. Together, even virtually, we can cultivate a safer and more inclusive campus, one that values safety and justice for survivors.

Hope Through Hardships

The Hope Through Hardships, which takes place on Thursday, April 29, is a Sexual Assault Awareness Workshop put on by the Muslim Student Association, Student Health & Counseling Services, WEAVE, MAS-SSF, and Amala Hopeline. It is dedicated to providing the Sacramento State community with a new understanding of Sexual Assault Awareness through the lens of the Muslim Community. After exploring this information, there will be an open dialogue about the topic. The event is scheduled to take place from 6:30-7:30pm. The event will be virtual and can be viewed at: <https://csus.zoom.us/j/89875603207#success>.

All People's Recognition Ceremony – May 7

Join the Multi-Cultural Center on Friday, May 7, from noon to 1pm for the annual All People's Recognition Ceremony. This year, the ceremony will be virtual but will continue to recognize individuals who create positive change by advancing social justice on campus and in the community. The special event also acknowledges individuals whose work often goes unrecognized, but who play a critical role in making Sac State a more inclusive and equitable institution. Registration is required to attend and can be completed with the meeting registration form at: https://csus.zoom.us/meeting/register/tZYtfuiprz4sG9dyx_w6NAHMD8dYbUROF7jn.
