Danielle Munoz is currently serving as the Interim Director of the Centers for Diversity and Inclusion. Danielle will assist in this role until we finish the search for a new Director. That search will begin right after the holidays.

We're in the final stages of the searches for an AVP of Enrollment Management and a Director of Enrollment Management. Unfortunately, even though we're really close, I'm not at liberty of announcing who will be in those positions just yet. Stay tuned though because I'll be able to share that very soon.

The search for a permanent Director of Student Organizations and Leadership is happening right now and finalists are being interviewed next week so that announcement will come out before the end of this year, as well. All very exciting developments in Student Affairs!

Remember that Finals Friends will be delivering snacks and support to students studying for finals on Monday-Wednesday nights on finals week. They/We will deliver in the AIRC and the Union and possibly the library if we don't run out of snacks too early.

This is the time of year that people start to encounter big challenges, especially with finances so please remember that if you know anyone struggling to make ends meet, a referral to the CARES Office can really make a difference. We have resources available that could help get folks through this month.

Updates:

Good luck on finals and congratulations on a productive semester!
