---

Hello Hornets! My name is Colin Kemp, and I've received the honor of representing you on the ASI Board of Directors as the Director of Social Sciences and Interdisciplinary Studies (SSIS). I am currently a political science major in my senior year, and have been a participant in the Sacramento Semester program. My involvement in Associated Students Incorporated (ASI) began last year when I was involved in a few ASI committees, and realized the importance of ASI and the services it offers. I'm excited to represent you this year, and assist in offering the numerous services that ASI has to offer. It's great to see so many new Hornets exploring degrees in the College of SSIS, and the addition of a new Department of Nutrition, Food, and Dietetics. ASI is for the students, by the students, and is what you make it. If you need anything this semester, feel free to reach out at anytime, I'm here to support you and be a resource. Thank you and have a great year!

STINGERS UP!
