Hello Hornets!

I hope everyone is having a great fall semester so far and that midterms are going well! It's been amazing to see the campus so full of energy, and there are many exciting events and opportunities coming up to get involved and stay connected within our Hornet community.

I'm continuing my goal to building community within SSIS and make sure students are aware of all the ways ASI can support them from basic needs services and leadership development to funding for student-led projects, events, and initiatives.

Most importantly, I'm here for you. As your representative, I want to hear your ideas, feedback, and goals so I can advocate for what matters most to our college. Please don't hesitate to reach out if you ever need support, guidance, or want to get more involved on campus.

I'm looking forward to the rest of the semester and to continuing to connect with as many of you as possible. Together, we can make this an engaging, successful, and memorable year for everyone.

Yay Go Hornets!! 🍁 🍁 🍁
