Report to the ASI Board of Directors September 15, 2021

University CFO Designee – Gina Curry

1. **Financial Aid** – Financial Aid disbursed \$108,548,892.92 through September 10, 2021. This amount is approximately the same at about the same time last year. Financial Aid paid Middle Class Scholarship earlier this year. Middle Class Scholarship used to be paid after census. Cal Grant is running behind due to changes at the California Student Aid Commission. These students have been given extended Fee Deferment. Disbursements continue twice a week until the last week in September, then go to once a week for the balance of the term.
2. **CSU Board of Trustees** – The CSU Board of Trustees (BOT) meeting is September 14th and 15th (yesterday and today). Both agenda and materials can be found at <http://www.calstate.edu/BOT/Agendas>
3. **HEERF Grant** – There will be another grant sent out to all enrolled students after census. The administration is determining the amounts, but they will likely be similar to the last breakdown in spring 2021 (see below). There continues to be supplemental emergency grants for students continuing to experience COVID related financial difficulties.

Great job on the strategic planning! It was a pleasure helping to facilitate that process.
I look forward to the finalized plan.
