To: 2025- 2026 ASI Board of Directors
From: Jonathan Poston – ASI Director of Social Sciences and Interdisciplinary Studies
Date: 23rd September, 2025
Subject: Board Report

Hello Hornets!

My name is Jonathan Poston, and I'm honored to represent the College of Social Sciences and Interdisciplinary Studies (SSIS) on the ASI Board of Directors. I chose to get involved with Associated Students, Inc. (ASI) because I believe in the power of student leadership and the difference we can make when we work together to support one another. ASI plays an important role at Sac State by offering resources, services, and opportunities that help students succeed both inside and outside of the classroom.

This year, one of my main priorities is to help create more opportunities for students to gain career experience and explore professional pathways connected to their studies. Whether that's through workshops, networking events, internships, or collaborations with student organizations, I want SSIS students to feel confident and prepared as they take their next steps beyond Sac State. I also want to make sure students are aware of all the ways ASI can support them, from basic needs services and leadership development to funding for student-led projects and events.

Most importantly, I'm here for you. As your representative, I want to hear your ideas, your concerns, and your goals so I can advocate for what matters most to our college. If you ever need support, guidance, or just someone to point you in the right direction, please don't hesitate to reach out.

I'm excited for the year ahead and look forward to connecting with as many of you as possible. Together, we can make sure SSIS students have the tools, resources, and experiences they need to succeed.

Thank you, and go Hornets!
