News:

Hello Hornets! I hope you all are settling into the new semester well. I started off the semester strong and have been doing my best to fulfil the boards' strategic priorities.

Currently, I am working with our Civic Engagement Coordinator, Savannah on finding ways to get students registered to vote and out to the polls. We have been working with UTAPS and RHA to transport students to the voting center and to create events that highlight voting in the primary election. One thing I would like to put on everyone's radar is the fact that Sac State will once again be having a voting center on campus. It will be located at Modoc Hall and will be open from February 29th through March 3rd. Make sure to show out early to vote, this way you can avoid long lines on election day.

Another big project that I am working on is the Basic Needs Forum with our CSSA Liaison, Alyssa and our Legislative Affairs Coordinator, Ethan. The event will be held on April 22nd. We are still planning the details of the event. I hope to see you all there!

This semester I hope to get more connected with the college of SSIS and be more engaged with my constituents.

Strategic Priority Update:

1.1.1 Collaborate with campus partners on an event supporting the need to vote

1.1.2 Support/market voter registration to Sac State students

- I have participated in various voter registration table sessions. We are currently working with RHA to create an event that will promote voting in the primary elections.

1.6.1 Support the continued efforts of the “Don’t Litter Our River” campaign

-I have sent a project request form to SEO to update the existing graphic of the “Don’t Litter Our River Campaign”.

3.2.1 Collaborate with local and/or state leaders to host a Basic Needs Forum

-I am currently working with our CSSA Liaison and our Legislative Affairs Coordinator to plan the details of the event.
