News:

Hello Hornets!

I want to take this opportunity to briefly introduce myself. My name is Prabhjyot Shinh. I am the Director of Undeclared Students for Associated Students, Inc. at California State University, Sacramento. As a new member of office for 2019-20, I look forward to meeting you, have discussions with undeclared and expressed interest students about choosing the right major and being on the right path to graduate on time. In August, I met with Dr. James German, the Dean for Undergraduate students. I also met with Jazmin Campos, FYE space coordinator. Both of them were very welcoming and eager to help me reach out to my constituents. Next month, on October 10th, the FYE space will be hosting an event called “Meet Your Major” in the FYE Space. I will be volunteering there as well, so I hope to see you there! Also, I am hosting forums regarding Race and Ethnicity courses with Dr. German. The first one is with the Peer Mentors on September 27. Later in October, there will be one more forum that will be open to all the students.
