Report to the ASI Board of Directors March 19, 2025 Division of Student Affairs Designee – Samuel N. Jones

Apollo Night Success

Campus Life, in collaboration with UNIQUE Programs, hosted Apollo Night, a brand-new talent showcase featuring 16 performances including singers, comedians, and spoken word artists. The event also included Apollo dancers, bringing high-energy entertainment to the audience. This successful re-envisioning of Apollo Night at Sacramento State has paved the way for it to become a fall semester tradition moving forward.

Campus Changes

- Orientation Program Transition: Orientation is moving back to Student Affairs from Enrollment Management and will now be housed within Student Organizations and Leadership, aligning both under the Subdivision of Campus Life.
- Transfer Resources Center Transition: The Transfer Resources Center is also returning to Student Affairs from Enrollment Management. It will now be housed within Academic Advising as Transfer Center Programs to better support transfer students.

Event Center at The WELL

The new Event Center at The WELL remains on track for completion in May. To provide a preview of the space—designed to host athletic events, concerts, and other major gatherings, renderings will soon be displayed in various campus locations for the campus community to view.

Campus Life Initiatives: Spirit Squirrel

Campus Life is finalizing renderings for the much-anticipated Spirit Squirrel mascot. The official name and outfit reveal is planned before the end of the semester, and beginning in the fall semester, the Spirit Squirrel will be available for reservations through Campus Life for events and activities.

These updates reflect Student Affairs' commitment to enhancing campus life, student engagement, and community-building at Sacramento State.
