*Due to the COVID-19 situations, the whole campus is working remotely and so are the Directors. I am still having my office hours each week, but on zoom. Also, the Board meetings are taking place virtually. The Board is trying*

*their best to support needs, both academically and with resources in these difficult times. So, if you are in need of anything, please email the Board members and let us know.*

*I hope all your online classes are going well. I absolutely understand that online classes are hard and we really need to do the time management and make sure we are on the track. So, my only advise is to not procrastinate. Especially, when having video recording, watch them on the scheduled class time.*

*Another update is that class registration is coming up. Make sure to schedule an online appointment with your advisor and meet them to discuss your class schedule for the next semester. There are many career focuses resources that are offering GE advising online right now.*

*Finally, as stated in the last Board meeting, ASI Board has gone through some major leadership changes. I just want to thank all the Board members who took the leadership roles and are working hard to fulfil their duties.*

**Committee Updates:**

Most of the committees that I am a part of are not meeting right now because of the COVID -19 situations.

*SEO Director Search committee – First meeting on March 19. Now meeting is held via zoom.*
