News:

Hello Sacramento State Hornets!

Welcome to Spring 2020 semester! Hope you all enjoyed your winter break.

During the first 2 weeks of school in January, I hope you all had a chance to check all the clubs that we have in Sacramento State University. It is of great benefit to be involved on campus, and I believe the first step is being a part of a club or organization. So, check the clubs and organizations if you haven't yet. Another way to develop useful skills is by being part of ASI committees. ASI has both internal and external (campus – level) committees. Reach out to me, or visit ASI Government office, for more information about the committees.

I have a lot of plans for the spring semester. But my two priorities are – collaborating with the Career center to promote career centric tools useful for undeclared students. Second, working with a team to make the idea of carpool application come true.

Another important event in the spring semester is the elections for ASI Board. I look forward to see more student participation. Please follow ASI and ASI Board's Instagram accounts to keep yourself updated with the workshops for how to run for office.

Lastly, I wish you all the best for the semester. Don't procrastinate and study hard!

Committee Updates:

Well Advisory Group

Meeting: 2/5/2020

Strategic Priorities Updates / Announcement:

1.6.2 Check feasibility of a carpool application for CSUS students to promote carpool while maintaining security.

I would like to have a group of Board members join me in drafting a budget for the carpool application. I will be sending email regarding this as well.
