A Special Note to Our Hornets

Hello Hornets!

This is my second report for the Spring Semester as the 2020-21 Director of Undeclared Students for ASI and I am thrilled to be serving the students at Sac State in this role for my first term. Just like last semester, I am sure the Spring Semester will also pass by in the blink of an eye. While hectic, I have enjoyed every moment of being the Director and serving as a voice to my constituents. I strive to do better each day, and I hope you will join me to ensure that this semester is successful just as the last. My passion is to help undeclared students find their correct major, as well as to help destigmatize the general education major. I am also just excited to be an advocate and serve as a voice for my constituents. Our weekly board meetings are a great way to get information on policies and changes that affect students. Additionally, time is provided for students to voice any comments, questions, kudos, or concerns to the ASI Board, so I invite and welcome you to attend whenever possible.

All meetings are held online through Zoom. Dates, times, and agendas are located [here](#). I look forward to serving each of you equitably.

Best wishes for continued success,

Sadia Ashraf
