### **A Special Note to Our Hornets**

Fellow Hornets,

I hope you all are studying hard and staying hydrated. This is my last board report and I want to appreciate how being part of ASI has highly impacted my life. I have met and collaborated with people around the campus which I would not be possible if I wasn't part of ASI. As an international student, who misses home, ASI has made me feel like family and I would trade nothing to change that.

Take my experience as a sign to join and be part of ASI by joining committees or volunteering. I hope you all have a great summer. Until next time, Stingers Up!

In service,  
*Dhruvisha Budhani*
