**A Special Note to Our Hornets**

***Greetings Graduate Hornets,***

*As we approach the end of the semester, it's hard to believe how quickly the past few months have flown by! This fall has been filled with growth, learning, and meaningful connections and I'm incredibly proud of all the hard work and dedication you've shown throughout.*

*With final exams around the corner, I encourage you to take care of yourselves, study well, and manage your time wisely between work and school. Remember to get enough rest, stay warm, and drive safely in these rainy, gloomy winter days.*

*I'm also happy to share that our ASI Student Government has successfully achieved about **50% of our 2025–2026 strategic priorities** so far. We're already planning ahead to make strong progress on the remaining goals as we continue to enhance the graduate student experience at Sacramento State. Thank you for being an important part of this journey, your energy, ideas, and resilience inspire everything we do. Wishing you all the best for your finals and a well-deserved winter break ahead. Let's finish this semester strong, Hornets!*
