A Special Note to Our Hornets

HOME STRETCH HORNETS!

Good luck on your finals and finish strong. Congratulations to all the graduating students and best of luck with your future after Graduate School. I want you guys to reflect on how much you guys had to overcome in the past year. Whether you are a first, second or last year of a graduate student, you guys made it through one of the most challenging times that the world has seen. I commend each and every one of you for your resilience that you guys have shown throughout the year.

Thank you to everyone who was able to join our Grad Slam Competition on April 20th and awesome job to those who participated in it. A friendly reminder that this position is vacant, and applications will be starting up again. If you are wanting more experience with behind the scene

work, working with high profile faculty members, and experience with government, this position is for you. Feel free to reach out to my email for any questions about the position.

Lastly, I just want to say that during these difficult times, I am proud to be called a Hornet and I am most definitely proud of the Graduate Programs here at Sacramento State. Whatever you guys need, ASI will always be here for you.

Thank you,

Wayne Cheung
