### **A Special Note to Our Hornets**

Hello everyone,

My name is Ezra Cabrera and I am the Director of Graduate Studies for the academic year. This is my first board report while serving in this position, and I am excited and proud to be a part of ASI with you all. Being able to advocate for students on campus and serve others is something that I do not take lightly, and I look forward to meeting with you all weekly to discuss important issues and changes here at our campus. Feel free to reach out to me if you have any questions or concerns and I'll be more than happy to help. Thanks so much!

### **Committee Updates**

I have been using the Grad Studies Instagram to reach out to students regarding joining committees and becoming more involved on campus. I have also had one-on-one meetings with several grad students regarding joining committees.
