Complaint Allegations

Specify the sections of the ASI Elections Code you allege were violated and by whom, or other conduct and by whom, which allegedly unfairly affected the election.
Remember that only one candidate may be named. Please be as specific as possible.

Hello,

I am filing a complaint due to my running mate's, Nikitia Akuhumov, violation of the election codes area H (No other candidate shall interfere with another candidate's effort to campaign). On Thursday, during the last push for votes, I was constantly cut off while talking to potential voters by Nikita's Volunteer, Austin. As I would talk to potential voters, his volunteer would yell out "there are other candidates" and "Vote for Nikita" On top of this would come in and intervene during my pitch with potential voters and start giving their speech. On top of all this, as I and the other candidate for SSIS, Lillian Wese, were starting to introduce ourselves to another candidate, his volunteer would run (not speed walk) in front of us and start giving their pitch. The both of them would directly intervene as I was talking to students.

I believe this falls under 2 election code violations: Area F, section 2 for harrasment and Area H for interference with campaigning. I believe this is harrasment as well for getting yelled at as I was campaigning and for surrounding me as I was talking to students and completely overshadowed my campaign.

To clarify, I would not be writing a complaint if I lost fairly. But this is not the case, I was yelled at and surrounded by Nikita and his volunteer as I was talking to potential voters. My efforts to campaign were cut off.

Thank you, Isabella Jimenez.

Evidence

Please provide a brief summary of the oral and written evidence in support of this complaint including the names of witnesses you expect to testify.

I was not the only person that Nikitia and Austin did this too. Lillian Weese, the other candidate also has her campaign hindered, by their actions. They cut her off as she was introducing herself to other candidates. They had the same actions towards the both of us.

I have 3 witnesses: Veronica Bulos, Lillian Weese and Robert Gonzalez who saw them interfering with my campaign.

I believe it is harassment to yell at another candidate, I believe it is harassment to get uncomfortably close to another candidate and block them off from potential voters.

This was direct interference with my campaign, because they intervened as I was talking to students and walk up to my table and try to hand them their flyers.

At some point I saw Austin grab a voter's phone and manually vote for them.

Remedy

Please propose one or more remedies that you find to be appropriate, and which the Election Complaint Committee is authorized to grant under part X of the ASI Elections Code.

I propose As a remedy for disqualification of this very serious election code.

If this is found to be harassment, and disqualification is not ensued. Then I would like to see some form of disciplinary action against Nikitia.
