Complaint Allegations

Specify the sections of the ASI Elections Code you allege were violated and by whom, or other conduct and by whom, which allegedly unfairly affected the election.
Remember that only one candidate may be named. Please be as specific as possible.

On Thursday April 13 I witnessed candidate Nikita Akhumov violate ASI elections code Section V Part C H "Campaign Interference Prohibited". It states "No independent candidate,... shall interfere with the campaign of another candidate." I saw his table next to another candidate's while him and his volunteer would purposefully block her from talking to potential voters and would yell at people she was talking to, "to vote for Nikita". This is harassment. Not once did Nikita stop his volunteer from doing this. When I decided to set up on the other side of Amador away from them, they started to run as fast as possible from their table all the way to mine and treating me the same.

Evidence

Please provide a brief summary of the oral and written evidence in support of this complaint including the names of witnesses you expect to testify.

In one instance when I was waving to someone introducing myself his volunteer then came up behind and said "I am going to sprint and take this one." Isabella Jimenez also witnessed and experienced them coming up from behind to run in front of us. Veronica Bulos and Robert Gonzales also saw how close Nikita was set up to Isabella and saw him and his volunteer running and surrounding her as she was talking to other students.

Please attach any documentation here*

Remedy

Please propose one or more remedies that you find to be appropriate, and which the Election Complaint Committee is authorized to grant under part X of the ASI Elections Code.

If you believe that Nikita interfered with mine or Isabella's campaign in Article X, C it states that this would be considered a serious misconduct and disciplinary action or disqualification would ensue.

If you believe this is harassment then I believe reprimand must happen.

And if you believe nothing was violated then consider revising the Elections code to make it so some distance must be kept between candidates who are running against each other. Maybe 4-6 ft.
