Welcome to the 2022 ASI Spring Election.

Please take time to read this FAQ page. Click proceed when ready.

Why can't I vote for all the candidates?

Your status (grad, undergrad) and your college (Business, Education, Arts and Letters, etc...) determines who you can vote for. See examples below.

- All eligible voters can vote for the Executive Positions (Presidential Ticket (President & Executive Vice President), VP of Finance, VP University Affairs, VP of Academic Affairs), Cash for Clubs and Survey questions.
- Defined undergraduate students are only eligible to vote for the director of their college. For example, students in the College of Business can only vote for the Director of Business Administration.
- Undefined undergraduate students are not eligible to vote for any college director.
- Unclassified graduate students are eligible to vote for the Graduate Director, but not for a director of a college.
- Classified graduate students are eligible to vote for the Graduate Director or for the Director of their college, but not both.
- Double major students (not minor) can vote for either college they are majoring in, but not both.
- "Expressed interest" students are treated as "undeclared" and can vote for the Undeclared Director.
- "Pre-major" students can vote for the director of the pre-major college.

(Note: You will only see candidates that you are eligible to vote for. Please contact Gerald Tubo at gtubo@csus.edu or 916-747-7409 for additional questions.)
