INDEPENDENT AUDITORS' REPORT

To the Board of Directors Associated Students of California State University, Sacramento Sacramento, California

Report on the Audits of the Financial Statements

Opinion

We have audited the accompanying financial statements of Associated Students of California State University, Sacramento (ASI), a not-for-profit corporation and a component unit of California State University, Sacramento, which comprise the statements of financial position as of June 30, 2022 and 2021; the related statements of activities, functional expenses, and cash flows for the years then ended; and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of ASI as of June 30, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of ASI and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ASI's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

INDEPENDENT AUDITORS' REPORT

(Continued)

Auditors' Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ASI's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the
 aggregate, that raise substantial doubt about ASI's ability to continue as a going
 concern for a reasonable period of time.

INDEPENDENT AUDITORS' REPORT

(Continued)

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated September 9, 2022, on our consideration of ASI's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering ASI's internal control over financial reporting and compliance.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAP. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

September 9, 2022 Chico, California

 $\label{thm:companying} \textit{The accompanying notes are an integral part of these financial statements.}$

1. NATURE OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of the Organization Associated Students of California State University, Sacramento (ASI), a component unit of California State University, Sacramento (Sacramento State), is a nonprofit, tax-exempt auxiliary organization of Sacramento State organized to administer various student programs and activities. Student activity fees and other program revenues are collected for the support of student-related programs and activities. Managed programs include the student body leadership in the Government Office; the Aquatic Center; the ASI Office of Business and Administration; Student Services, which includes cap and gown sales; the Children's Center; Peak Adventures; and the Student Engagement and Outreach department.

Basis of Presentation The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

ASI is required to classify net assets and revenues, expenses, and gains and losses into two categories, based on the existence or absence of donor-imposed restrictions. The categories are described below:

Net Assets Without Donor Restrictions: Net assets in this category are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of ASI's management and the Board of Directors.

Net Assets With Donor Restrictions: Net assets in this category are subject to donor-imposed restrictions. Some donor restrictions are temporary in nature; those restrictions will be met by actions of ASI or by passage of time. Other donor restrictions are perpetual in nature, whereby the donors have stipulated the funds be maintained in perpetuity.

Donor-restricted contributions are reported in the statements of activities as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Cash and Cash Equivalents ASI invests its excess cash with the State of California Local Agency Investment Fund (LAIF). ASI reports its investment in LAIF at fair value. The balance is available for withdrawal on demand and is based on the accounting records maintained by LAIF, which are recorded on an amortized cost basis, which is different from the fair value of ASI's position in the LAIF pool. Management has concluded that amortized cost basis approximates fair value. ASI considers highly liquid investments with a maturity of three months or less to be cash and cash equivalents.

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Fair Value Measurements The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1), and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation of methodology represent unadjusted quoted prices for identical assets or liabilities in active markets that ASI has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Although ASI has funds held in LAIF, they are available for withdrawal on demand and are, therefore, recorded as cash equivalents. LAIF is sponsored by the California State Treasurer and prepares its market value report detailing the carrying cost and estimated fair value for the entire pool. ASI used the multiplier provided by LAIF to determine the estimated fair value of ASI's investment in the pool. ASI's investments in LAIF are measured on a recurring basis throughout the year.

Accounts Receivable Accounts receivable are composed of uncollected revenue generated from program activities, grant reimbursements, and administrative fees from ASI's funds held for others. ASI reviews accounts receivable on a monthly basis to determine if any receivables are potentially uncollectible. ASI has recorded an allowance for doubtful accounts in the amounts of \$2,000 and \$550 as of June 30, 2022 and 2021, respectively.

Student Activity Fees Receivable – Held by Sacramento State Student activity fees receivable consist of the fees collected by Sacramento State during student registration for the 2022 fall semester. These fees will be remitted to ASI during the subsequent fiscal year. As of June 30, 2022 and 2021, student fees receivable were \$473,912 and \$543,838, respectively.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

Deposits and Prepaid Expenses These amounts are the result of payments made for goods and services to be utilized in future periods.

Inventory ASI inventory is reported at the lower of cost or net realizable value. The first-in, first-out method is used in determining cost. Net realizable value is the estimated selling price in the ordinary course of business, less reasonably predictable costs of disposal. Inventory consists of items such as caps, gowns, bike parts, retail clothing, and accessories for ASI internal programs including Student Services, Peak Adventures, and the Aquatic Center.

Due From Related Parties Due from related parties represents amounts owed to ASI from Sacramento State; University Enterprises, Inc. (UEI); the University Union Operation of California State University, Sacramento (Union WELL Inc.); and The University Foundation at Sacramento State (UFSS) for goods and services provided by ASI program activities.

Capital Assets Capital assets are stated at cost. It is the policy of ASI to capitalize all furniture and equipment and leasehold improvements costing \$5,000 or more with a useful life greater than one year. Depreciation is recorded on the straight-line method over the estimated useful lives of the assets, typically between 3 and 30 years.

Due to Related Parties Due to related parties represents outstanding billings for administrative services, space management, and catering services provided to ASI programs by Sacramento State, UEI, and Union WELL Inc.

Funds Held for Campus Organizations ASI acts as a collecting and disbursing agency for several Sacramento State organizations and departments. Funds held for campus organizations are related to deposits received from these organizations and departments. Currently, ASI holds only two of these accounts for Sacramento State, which include the State Hornet and the Jesse Snow accounts.

Funds Held for Student Organizations As a service to Sacramento State-affiliated student organizations and programs, ASI acts as a collecting and disbursing agency for over 300 student organizations. These amounts are related to deposits received from these organizations.

Unearned Revenue Unearned revenue represents the amount ASI has received in advance of providing the related services. To facilitate preparation for the many classes, camps, courses, and trips provided by Peak Adventures and the Aquatic Center, ASI requires advance registration and payment. Unearned revenue also consists of student activity fees collected by Sacramento State from students during student registration for the 2022 fall semester.

Revenues from Contracts with Customers A five-step model is used to determine the amount and timing of revenue recognized. The five-step model requires ASI to apply the following steps: (1) identify the contract with the customer; (2) identify the performance obligations in the contract; (3) determine the transaction price; (4) allocate the transaction price to the performance obligations in the contract; and (5) recognize revenue when, or as, ASI satisfies the performance obligations.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

ASI's revenues are generated from its operations and are recognized as described below:

Student Activity Fees: Student activity fees represent mandatory fees assessed to students by Sacramento State each semester to support ASI programs. The fees are collected by Sacramento State and remitted to ASI. Student activity fees are recognized over the period of service, which is the academic semester during which the program services are delivered.

Program Service Fees: Program service fees are fees ASI receives for providing child care, recreational classes, student services, and other activities. Program service fees also include sales of graduation apparel, such as caps and gowns, as well as retail clothing and accessories related to Student Services, Peak Adventures, and the Aquatic Center. The fees are collected by ASI and recognized on the date the service is provided or the product is sold.

Financial Service Fees: Financial service fees are received for providing accounting and financial services to Union WELL Inc., the University IRAs, the State Hornet, clubs, and organizations. Revenue is recognized over the period of service.

Contributions Cash and in-kind contributions are received to support ASI's programs and services. Generally, contributions are recognized in revenue when they are received. Contributions with conditions, such as eligibility requirements, are not recorded until the conditions have been met.

Government Grants and Contracts ASI receives grants from the state of California and various other grantors for direct and indirect program costs associated with specific programs and projects. The grants received are subject to certain restrictions, which are met by incurring qualifying expenses for the particular program or project that is funded by the grant. Revenue from such grants is recognized when the funds have been expended on activities stipulated in the grant agreement. For unconditional grants, revenue is recognized and increases net assets with donor restrictions at the time the grant is received or pledged, and the funds are released from restriction when the qualifying expenses have been incurred. For conditional grants, funds received in advance are classified as unearned revenue and held as a liability until the conditions have been met. Once all conditions are met, revenue is recognized and increases net assets without donor restrictions.

Advertising ASI expenses advertising costs as incurred. Advertising expenses for the years ended June 30, 2022 and 2021, were \$39,757 and \$15,610, respectively.

Tax Status The Internal Revenue Service has granted ASI status as an exempt organization under section 501(c)(3) of the *Internal Revenue Code* (IRC). The ruling provides that ASI is not subject to excise tax under Section 4940(a). Income determined to be unrelated business income is taxable. For the fiscal year ended June 30, 2022, ASI accrued \$-0- federal and \$-0- state tax liabilities for unrelated business income taxes. For the fiscal year ended June 30, 2021, ASI accrued \$-0- federal and \$-0- state tax liabilities for unrelated business income taxes.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

ASI analyzes whether there is uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. An uncertain tax position can be recognized in the financial statements only if the position is "more likely than not" to be sustained if the position were to be challenged by a taxing authority. ASI's practice is to recognize interest and penalties, if any, related to uncertain tax positions in tax expense. ASI files exempt organization returns in the U.S. federal and California jurisdictions. The federal and state tax returns remain subject to examination by the taxing authorities for three years and four years, respectively. ASI has processes presently in place to ensure the maintenance of its tax-exempt status (its group exemption) to identify and report unrelated business income; to determine its filing and tax obligations in jurisdictions for which it has nexus; and to identify and evaluate other matters that may be considered tax positions. ASI has determined that there is no impact on the accompanying financial statements related to this standard. There were no uncertain tax positions identified or related interest and penalties recorded as of June 30, 2022 and 2021, and ASI does not expect this to change significantly over the next 12 months.

Use of Estimates The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Functional Allocation of Expenses The costs of providing various program and supporting activities have been summarized on a functional basis in the statements of activities. The presentation of expenses by function and nature is included in the statements of functional expenses. ASI charges direct expenses incurred for a specific function directly to the program or supporting service category. These costs can be specifically identified as being incurred for the activities of that program or supporting service. Other costs that are incurred by ASI benefit more than one program or supporting service, and are allocated on a reasonable basis that is consistently applied. Payroll and related costs are allocated based on estimates of time and effort; other costs, including depreciation, occupancy, office costs, computers, and software, are allocated based on estimates of usage or benefit received by each program. Expenses that are not directly associated with a program are allocated to administration expenses. ASI reevaluates its allocation method each year to determine if there are adjustments that are necessary to the allocation method based on actual activities conducted during the year.

Evaluation of Subsequent Events Management has evaluated subsequent events through September 9, 2022, the date the financial statements were available to be issued.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

2. CASH AND CASH EQUIVALENTS

As of June 30, 2022 and 2021, cash and cash equivalents represent short-term investments in LAIF in the amounts of \$9,710,762 and \$10,484,181, respectively; funds held at financial institutions in the amounts of \$2,399,824 and \$512,285, respectively; and cash on hand in the amounts of \$32,599 and \$22,359, respectively. The cash balances reported by financial institutions for the years ended June 30, 2022 and 2021, were \$2,574,631 and \$841,191, respectively. The amounts for the years ended June 30, 2022 and 2021, were in excess of the insured amounts by \$322,668 and \$590,982, respectively, based on the limits insured by the Federal Deposit Insurance Corporation.

3. LIQUIDITY AND AVAILABILITY OF ASSETS

The following represents ASI's financial assets:

June 30	2022	2021	
Financial Assets - End of Year			
Cash and cash equivalents	\$ 12,142,185 \$	11,018,825	
Accounts receivable	965,589	823,002	
Student activity fees receivable -			
held by Sacramento State	473,912	543,838	
Total Financial Assets - End of Year	13,581,686	12,385,665	
Less: Amounts Not Available to be Used Within One Year			
Board designated net assets	(5,831,094)	(5,642,539)	
Working capital reserve	1,525,830	1,477,758	
Unavailable Board Designated Net Assets	(4,305,264)	(4,164,781)	
Financial Assets Available to Meet General Expenditures			
Over the Next Twelve Months	\$ 9,276,422 \$	8,220,884	

In order to manage liquidity, ASI has structured its financial assets to be available as its general expenditures and liabilities become due. As part of its liquidity plan, excess cash is invested in LAIF. ASI is substantially supported by student activity and program services fees, which are unrestricted and are available to meet general expenditure obligations.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

4. FAIR VALUE MEASUREMENT

As of June 30, 2022 and 2021, the LAIF pool included structured notes and asset-backed securities, which totaled 1.88% and 2.31%, respectively, of the total portfolio. These structured notes and asset-backed securities are subject to market risk as interest rates fluctuate. As of June 30, 2022 and 2021, the fair value of LAIF was 98.71% and 100.00%, respectively, of the carrying value. There were no LAIF funds invested in derivatives as of June 30, 2022 and 2021. LAIF has oversight by the Local Investment Advisory Board (LIAB), which consists of five members as designated by statute. ASI is considered to be a voluntary participant in the LAIF investment pool.

The following tables set forth by level, within the fair value hierarchy, ASI's assets at fair value:

June 30, 2022	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
LAIF	\$ - \$	\$ 9,710,762	\$ -	\$ 9,710,762
June 30, 2021	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
LAIF	\$ - 5	\$ 10,484,181	\$ -	\$ 10,484,181

The investments in LAIF are carried at amortized cost, which is deemed to not represent a material difference from fair value. The fair value methods may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while ASI believes its valuation methods are appropriate and consistent with similar investments, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at June 30, 2022 and 2021.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

5. CAPITAL ASSETS

Capital assets consisted of the following:

June 30	2022	2021
Furniture and equipment	\$ 2,427,632 \$	2,436,759
Leasehold improvements	2,635,506	2,683,731
Construction work in progress	11,148	
Totals	5,074,286	5,120,490
Accumulated depreciation	(3,676,454)	(3,566,179)
Capital Assets - Net	\$ 1,397,832 \$	1,554,311

Depreciation expense for the fiscal years ended June 30, 2022 and 2021, was \$219,322 and \$205,441, respectively.

ASI leases a parcel of land from the Trustees of the California State University, Sacramento (the Trustees), located on its campus, for the purpose of operating and maintaining a child care center (the Facility). The Facility is required to be used primarily to provide day care services for the children of Sacramento State students, staff, and faculty. The lease agreement terminates on December 31, 2028. ASI has no monetary obligation to the Trustees for rental payments under the terms of the lease agreement; however, ASI financed the construction and operation of the Facility. The costs of construction of the Facility were capitalized as leasehold improvements.

6. NOTE PAYABLE

Note payable consisted of the following:

June 30	2022	2021
Note payable to Yankee Finance Company, LLC related to a new		
fleet of rowing shells for the Aquatic Center. Payments will be		
made in semi-annual installments of \$20,644 through May		
2026, including interest at 5%. The loan is secured by the fleet.	\$ 148,023	\$ 180,681

The Capital Crew Booster Club and the Lake Natoma Rowing Association have committed to make contributions to ASI, which are intended to cover the cost of the note payable installments. However, there are certain conditions related to the contributions; consequently, the contributions will be recorded as the note payable installments are paid and as the conditions are met.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

Future minimum note payable payments are as follows:

Years Ending June 30	
2023	\$ 34,311
2024	36,048
2025	37,873
2026	39,791
Total	\$ 148,023

7. LEASE COMMITMENTS

ASI has lease agreements that are renewed annually for office space located in the Union building. The total rent expense incurred under these operating leases was \$288,625 and \$282,374 for the fiscal years ended June 30, 2022 and 2021, respectively. ASI also leases various copiers under non-cancellable operating leases. The total copier lease payments were \$13,874 and \$11,997 for the fiscal years ended June 30, 2022 and 2021, respectively.

Future minimum lease payments under the operating leases are as follows:

Years Ending June 30	
2023	\$ 312,263
2024	12,424
2025	4,568
2026	4,568
Total	\$ 333,823

NOTES TO THE FINANCIAL STATEMENTS (Continued)

8. UNREALIZED PAYCHECK PROTECTION PROGRAM INCOME

On April 15, 2020, ASI qualified for and received a loan pursuant to the Paycheck Protection Program (PPP), a program implemented by the U.S. Small Business Administration (SBA) under the Coronavirus Aid, Relief, and Economic Security Act, from a qualified lender. The total loan awarded was \$1,278,051. The PPP loan accrued interest at a fixed rate of 1.0% per annum, had the first 16 months of interest deferred, had a term of five years, was unsecured, and was guaranteed by the SBA.

The principal amount of the PPP loan and accrued interest were subject to forgiveness upon ASI's request, to the extent that the PPP loan proceeds were used to pay expenses permitted by the PPP, including payroll costs, covered rent and mortgage obligations, and covered utility payments incurred. ASI originally intended to apply for forgiveness of the PPP loan with respect to these covered expenses and included the loan as a current liability as of June 30, 2020.

The loan proceeds were used to pay authorized expenses, in accordance with the PPP program guidelines; however, management determined the best course of action was to repay the loan instead of filing for forgiveness. During the year ended June 30, 2021, ASI repaid the loan in full, and there was no recognition of loan forgiveness income within the statements of activities.

9. RELATED-PARTY TRANSACTIONS

For the fiscal years ended June 30, 2022 and 2021, ASI earned revenues of \$136,885 and \$133,638, respectively, for providing financial services to Union WELL Inc., a component unit of Sacramento State.

For the fiscal years ended June 30, 2022 and 2021, ASI earned revenues of \$31,564 and \$24,164 respectively, for providing financial services to Sacramento State organizations, which include the State Hornet, Alumni Center, and the financial administration of Sacramento State's IRA grants.

Other than those disclosed elsewhere in these financial statements, transactions between ASI and related organizations during the fiscal years ended June 30, 2022 and 2021, included the payments by ASI to Sacramento State of \$85,823 and \$303,366, respectively, for campus cost recovery services that include administration, telephone, postage, IT support, and utilities; and \$263,311 and \$84,042, respectively, for personnel costs. Sacramento State made payments totaling \$420,785 and \$102,199 for services, space, and programs for the fiscal years ended June 30, 2022 and 2021, respectively. For the fiscal years ended June 30, 2022 and 2021, ASI donated \$30,000 and \$28,370, respectively, for gifts inkind to Sacramento State. Public safety charges were paid to Union WELL Inc. from ASI for the fiscal years ended June 30, 2022 and 2021, with a charge of \$4,410 and \$-0-, respectively, for Peak Adventures to cover police calls in the WELL building. Peak Adventures also used the services of Capital Public Radio for advertising during the years ended June 30, 2022 and 2021.

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

The amounts due from related entities were comprised of the following:

June 30	2022	2021
Sacramento State Union WELL Inc.	\$ 617,834 \$ 11.434	539,529
	, -	22,252
Totals	\$ 629,268 \$	561,781

The amounts due to related entities were comprised of the following:

June 30	2022	2021
Sacramento State	\$ 98,074 \$	80,389

10. PENSION PLAN

ASI sponsors a tax-sheltered annuity defined contribution retirement plan (the Plan) under IRC Section 403(b). Participating employees are eligible to join the Plan after 1,000 hours of service in twelve consecutive months. Upon joining the Plan, employees are eligible for an employer contribution of 10% of gross salary, subject to certain statutory limits. The Plan provides 100% immediate vesting. Employer contributions to the Plan were \$240,554 and \$262,533 for the fiscal years ended June 30, 2022 and 2021, respectively.

11. CONTINGENCIES

The ongoing COVID-19 pandemic has caused an economic downturn on a global scale, disrupted global supply chains, and created significant uncertainty, volatility, and disruption across economies and financial markets.

The COVID-19 pandemic remains an evolving situation. The extent of the impact of COVID-19 on ASI's business and financial results will depend on future developments, including the duration and spread of the outbreak within the markets in which ASI operates and the related impact on consumer confidence and spending, all of which are highly uncertain.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

12. RECENT ACCOUNTING PRONOUNCEMENTS

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-02, *Leases*. This ASU will require organizations that lease assets to recognize on the statement of financial position the asset and liability for the right and obligations created by leases with a term of more than 12 months. Additional disclosures will also be required in order to provide the users of the financial statements with a better understanding of the amount, timing, and uncertainty of cash flows arising from leases. This ASU intends to improve financial reporting about leasing transactions. In July 2018, FASB issued ASU 2018-11, *Leases: Targeted Improvements*, which amended ASU 2016-02 to provide an entity with a transition method for implementing the ASU. Under this transition method, an entity initially applies ASU 2016-02 at the adoption date, and recognizes a cumulative-effect adjustment to the opening balance of net assets in the period of adoption. These ASUs are effective for the periods beginning after December 15, 2021. ASI's management has not yet determined the impact that implementation of these ASUs will have on ASI's financial statements.

NOTE TO THE SUPPLEMENTARY INFORMATION

BASIS OF PRESENTATION

These schedules are prepared in accordance with the instructions listed in an Administrative Directive dated June 24, 2003, entitled *Financial Reporting Requirements for Auxiliary Organizations*, from the California State University Office of the Chancellor. As a result, these schedules do not represent financial statements that are prepared in accordance with accounting principles generally accepted in the United States of America issued by the Financial Accounting Standards Board.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Associated Students of California State University, Sacramento Sacramento, California

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Associated Students of California State University, Sacramento (ASI), which comprise the statement of financial position as of June 30, 2022; the related statements of activities, functional expenses, and cash flows for the year then ended; and the related notes to the financial statements, and have issued our report thereon dated September 9, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered ASI's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of ASI's internal control. Accordingly, we do not express an opinion on the effectiveness of ASI's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of ASI's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

(Continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether ASI's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of ASI's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering ASI's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
