SACRAMENTO STATE AQUATIC CENTER

ABOUT

The Aquatic Center was established in 1981, fifteen miles from the Sacramento State campus on beautiful Lake Natoma. As a program of Associated Students Inc., the Center also has cooperative relations with many partners. These include: Sacramento State, the University Union Operations of Sacramento State,, California Division of Boating and Waterways, California Department of Parks and Recreation, and the Federal Department of Interior-Bureau of Reclamation. The Center was established to augment the academic curriculum at Sacramento State. However, the Center has grown into a regional, national, and internationally recognized program in the arena of boating safety education, aquatic center design, and as a venue for world class rowing competitions. The Center services over 50,000 patrons on an annual basis through its diverse aquatic programs. These include: Sailing, Windsurfing, Kayaking, Canoeing, Rowing, Water Skiing, Wake Boarding, Stand Up Paddling, Summer Camps, Youth Groups, Team Building, Special Events, Equipment Rentals, Facility Rentals, and Special Events. The Aquatic Center also provides experiential education to student staff employees who are hired to assist a core staff of professional managers. The Aquatic Center is open to all Sacramento State students, faculty, staff, alumni, and the general public. All Sacramento State students, faculty, staff, and alumni receive a discount with their valid Sacramento State ID.

"You'll Enjoy the Experience"

DEPARTMENT STATEMENT OF PURPOSE:

The mission of the Sacramento State Aquatic Center is to provide high quality boating and safety programs through education, recreation, and competition.

Action Plan	Responsible Party	Assessment Indicator	Time Frame	Progress Report
1.0 Market and Promote ASI Services to [Create an ASI identity that is recognized by the	·	•		
Identify the Aquatic Center as a COVID- 19 Safe Business on Google and Yelp search engines. Yelp Link Google Link	Associate Director	Listed	Fall 2020/2021	Completed. The ASI/Aquatic Center was one of the first programs affilitated with Sacramento State to create and implement COVID19 Safety protocols which allowed the Aquatic Center to open July 2020 with restrictions. The AC continued to adjust programming as restrictions changed.
Connect with health and safety organizations, i.e. Student Health Service, basic needs websites to promote outdoor recreation during the pandemic.	Waterfront Supervisor	Record the number of contacts, website links, distribution of marketing materials.	Fall/Sping 2021	Completed. The Aquatic Center was in contact with the American Red Cross and the CA Department of Public Health (CDPH) to ensure programming was safe. Rowing Manager was in contact with U.S. Rowing and World Rowing to stay abreast of COVID Protocols for programs. Also in touch with SafeSport to ensrue new federal laws regarding coaches and staff and youth over age 18 were being followed. Operations Manager contacted Sacramento State's Student Health and Counseling to share Free Rental Days for students, as a way to promote mental health. Social Media mediums, and direct marketing emails were used to promote rental reservations and classes new and previous customers, such as the Monday Morning Briefing, the Buzz Around Sac State and others.
Collaborate with Student Organizations and Clubs through Club officer distribution lists, using various mediums, such as Website, Website links, Instagram, Facebook, You Tube, capture student experiences as they complete their reservation post on Social Media. Offer drawing for ASI/Aquatic Center swag.	Operations Manager Operations Assistant	Collaboration has occurred	Fall 2020	Completed. The Aquatic Centers use of social media platforms increased student and general public awareness about course offerings under COVID-19 restrictions, Recordings of students interviews sharing their experiences were shared on social media. Total no. rental patrons in 20-21: 32,773 Total no. of students rentals in 20-21: 3,129 Total number of Sac State students that utilized the "free" rentals in 20-21: 2,397
Work with Student Affairs, Marketing and Communication Alex Nichols and Luis Kischmischian on student outreach and distribution list, Work with Student Affairs on Faculty/Staff outreach distribution for "Buzz Around Student Affairs" "Free Wellness Fridays" fall semester	Director	Calendared planning January 2021 for Spring 2021 Events	Spring 2021	Completed. The Aquatic Center collaborated with Student Affairs Marketing team to promote "Free Wellness Friday" event for Sacramento State factulty and staff for free equipment rentals. Two "Free Wellness Fridays" were held with approximately 20 Sacramento State
Collaborate with campus housing to offer programming to students residing in the dorms during the pandemic i.e. instructor lead kayak or Stand up Paddle board tour.	Operations Manager	Record the number of dorm students who attended dorm day specific event	October 2020 Fall 2020	faculty attending. Held on October 16, 2020 and October 30, 2020. On hold for Fall 2021. COVID restrictions prohibited the Aquatic Center form providing free transportation to/from the residence halls. Currently planning a "Welcome Back" event for the residence hall students to occur on the Saturday after moving day.

Offer free boat rentals to Students M-F Fall 2020 and Spring 2021	Director	Provide a count of students who participated in free student days for Annual Reporting	Fall 2020 Spring 2021	Complete and on-going for spring 2021. Over 2,397 student renters took advantage of the free rental days.
Create virtual activity videos, for students, i.e. biking, kayaking, stand up paddling, etc.	Operations Manager Waterfront Supervisor Facilities Assistant	Link Virtual videos: to AC website, distribute links to SEO, SO&L	Spring 2021	Complete and on-going. Recorded Student feedback and comments and posted to social media sites. Facebook, Instagram, video recording of student experiences were captured, their enthusiasm will be used for future marketing outreach. Virtual Choose your own paddle Adventure https://www.youtube.com/watch?v=4vSP O2tZjR4&list=PLJCiYDwPz7a_KEpFHd1ANFI J3RnZjWLBC&index=13 AC New Staff Faculty Tour https://www.youtube.com/watch?v=NtNcfLA1RGw&list=PLJCiYDwPz7a-Sn_g4uqtvW86BWTDwdRrs&index=19&t=3s_ASI SEO Produced Video https://www.youtube.com/watch?v=OPNoa1iSIT4 Online Reservations https://www.youtube.com/watch?v=Fb1Ovtm2OIc&list=PLJCiYDwPz7a_CF-jsrs5ca6AfzbdVe7kZ&index=6&t=45s
Collaborate with PEAK Adventures for a bike tour from campus to the Aquatic Center	Waterfront Supervisor	Virtual bike tour is completed and posted on social media	Spring 2021	On hold for fall 2021. Campus continued to be closed to students in fall 2020 and spring 2021.
2.0 Alter and Adjust services to Campu	 us Community and Pul	l olic to function in	a COVID-19 Env	ironment.
Alter AC operations to be able to be approved to operate under new COVID-19 campus and Sacramento County Public Health Restrictions Create site specific traffic flow ingress and egress maintaining social distancing measures including signage and markers Install plexiglass guards at work stations where staff may be in close contact with one another or general public Develop and implement sanitizing procedures for touch work surfaces Develop and implement sanitizing procedures for rental equipment, vest dipping, paddle and kayaking washing Require face covering when 6' of social distancing is not possible Create online reservation system to monitor and limit the number of guests that can visit per time slot i.e. Amend rental waiver to reflect COVID-19 risks Develop and implement staff training using virtual mediums, Zoom, videos, to reflect COVID-19 procedures	Director Associate Director	Open the AC to operate under new COVID-19 Campus and Public Health Restrictions	July 2020	Completed
Create a morning sculling program to allow for on water fitness and mental health.	Rowing Manager Rowing Coach	Program has been completed and implemented	Spring 2021	Completed. Modified for virtual on-line classes. Spring 2021, as restrictions lessoned, private rowing lesson were again scheduled. Virtural ZOOM ergometer program supplemented online 3 days per week.

Create a plan for campus-approval for	Associate Director	Plan created,	Spring/Summer	Completed.
Small group on the water team-build challenge course on the water.	7.65001dtc 511.cotol	approved and implemented	2021,	- Compreted:
Explore the potential of collaborating with boat manufacturer to offer training site to National/Collegiate athletes who may be remotely attending a school outside of Sacramento but may reside in the area.	Rowing Manager Rowing Coach Facilities Supervisor	Inform and market to competitive rowers increasing rowing memberships under such program. Record increase in nontraditional rowing members	Fall 2020/Spring 2021	Completed and on-going. The U.S. National Team training for the Olympics at the Aquatic Center to train January, April and May 2021.
As restrictions are lifted, adjust instruction to offer boating bubbles in smaller groups, possibly Sac State Clubs and organizations, instructor lead tours	Associate Director Waterfront Supervisor	Develop and get a plan approved by campus and Sacramento County Public Health	Spring/Summer 2021	Completed and on-going.
Develop and Implement new training program for high school rowing that addresses the COVID-19 stipulations, Limited group size, rowing machines spaced to ensure social distancing, disinfecting of equipment after each use	Rowing Manager Rowing Coach Rowing Coach	Develop and obtain campus approval for capital crew rowing program	Fall 2020	Completed and on-going. Approximately 80-85 athletes participating. COVID Restrictions prohibited athletes
As restrictions are lifted: Develop and implement new program procedures for approval to offer athletes to row in mutli-person rowing equipment		Develop and obtain campus approval for capital crew multiple person rowing program	Spring 2021	from rowing in large boats until late into the semester. However, coaches kept training the athletes and did their best to keep morale high, even though the team was unable to participate in the regional and national championships, due to COVID.
Develop a plan, obtain approval and launch private lessons October2020 and restructure lesson plans and water access to meet current Covid requirements	Director Rowing Manager	Develop and obtain approval for AC instructor-led classes and launch classes.	October 2020	Completed. 40 Private lessons were offered. Fall 2020: 7 Rowing Private Lessons Spring 2021: 21 Sailing, 1 Windsurfing, 11 Rowing
Chalk your walk, social media post, have kids design boating education sidewalk designs and post them to social media	Operations Manager	Event has been held	Spring 2021	Completed coloring contest. Two awards were awarded. Winner received \$50 off one week of summer camp. Runner-up received a free rental card. Boating safe coloring contest, Family Fun Passes were awarded.
3.0 Move ASI towards becoming a con	scious, Anti-Racist Or	ganization. [Create	L e a sustainable organ	ization for the future through the optimization
of ASI business processes and through innovation. Work with (Student Affairs-Dr, Mary Lee Vance Department of Services for Student with Disabilities, the WELL, and Department of Recreation Parks and Tourism), to develop and implement programming to address recreational needs for students with disabilities.	ve programming.] Director Waterfront Manager	Schedule an Aquatic event specific to students with disabilities, Event was held	Spring 2021	On hold for Fall 2021 or Spring 2021. COVID restrictions prevented an in person Kayak/Sail day. The Aquatic Center will contact Dr. Lee and Dr. Hoffman to work towards a fall 2021 event to host kayak/sail for students with disabilities.
Collaborate with (Student Affairs) Department Centers for Diversity & Inclusion- Danielle Munoz Women's Resource Center- Aisha Engle Pride Center-Melissa Muganzo Mulit-Cultural Center-Patsy Jimenez Develop and implement a comprehensive plan to inform, educate,	Rowing Manager	Record the number of students contacted, record number of students who rented or visited the aquatic center	Fall 2020 for Spring 2021	Completed. Director and Rowing Manager attended SafeZone Trainings and cultural-programming zooms throughout the year. Director completed outreach for employment opportunities – including posting positions on Handshake.

ASI BUSINESS & ADMINISTRATION

ABOUT

The ASI office of Business and Administration serves as the corporate accounting, payroll, human resource and information technology departments for ASI. We service 53 full-time staff, 435 part-time staff, six internal programs, approximately 300 clubs and organizations, the University Union, University IRA's and External Grants and the State Hornet. The Business and Administration office provides numerous services to the campus community which includes financial services for clubs and organizations, retail sales of graduation caps and gowns, laptops for check-out, theater tickets, money orders, fax services, notary, stamps for sale, and legal aid with an attorney.

DEPARTMENT STATEMENT OF PURPOSE:

Business and Administration's purpose is to provide high quality, reliable, inclusive, and timely support services that enable ASI programs to operate efficiently, dynamically, and responsibly while supporting student success and professional growth through leadership opportunities and student services.

Action Plan	Responsible Party	Assessment Indicator	Time Frame	Progress Report
1.0 Market and Promote ASI Services to [Create an ASI identity that is recognized by the S	·	•

Research and implement an expense allocation system to ASI departments (i.e. cost allocations).	Accounting Manager, IT Manager, Payroll Tech, Financial Analyst & Accounting Technician.	Expenses are being allocated and posted to the respective departments.	June 2021	In progress for the '20/21 year end closing.

ASI CHILDREN'S CENTER

ABOUT

The Children's Center is an exemplary program which models current principles and practice in child development, and is nationally accredited by National Association for the Education of Young Children (NAEYC). We are committed to affordable, dependable and convenient childcare for students, faculty and staff. The Children's Center supports the academic and personal endeavors of the Sac State community by serving the needs of families and promoting education experiences in the area of early childhood education. In addition to child care services, internships and student employment allow students the opportunity to apply the conceptual knowledge that they are learning in their class to real life situations in a child's classroom.

"Growing Minds are the Key to Our Future!"

DEPARTMENT STATEMENT OF PURPOSE:

The Children Center's purpose is to create a community that supports Sacramento State Students to build brighter futures by providing high quality childcare, employment, and leadership opportunities in a wholesome learning environment.

Action Plan	Responsible Party	Assessment Indicator	Time Frame	Progress Report

The Center participated in virtual Freshman orientations using a power point.	Administrative Assistant	Administrative Assistant created the power point and presented it in the virtual orientations.	July and August 2020	Completed.
The Center will participate in ASI week by presenting to Child Development courses virtually using power points and a virtual tour.	Administrative Assistant	Virtual presentations in various Child Development Courses	9/28/20-10/2/10	Completed.
Create a virtual art gallery using the Spring 2020 More Than Scribbles art display located in the Union Gallery	Director Associate Director SEO Department	Launch the Virtual Art Gallery on social media, websites, and to the campus	October 2020	Completed. Gallery is posted on the <u>Center website</u> and was sent to the Sac State Child Development Department
2.0 Alter and Adjust services to Campu	us Community and P	ublic to function in	a COVID-19 Enviro	nment.
Provide Child Care services to the campus (students and faculty/staff) submitting a re-opening plan to campus and Sacramento County Public Health, including the following changes: a. Reducing classroom capacities to 10 children, per CDC guidance b. Create a classroom cohort where teachers stay with the same group of children per CDC guidance c. Create a check-in/check out system where the child is the only person in a family allowed into the facility d. Makes changes to indoor and outdoor classroom spaces that facilitates social distancing for children and staff. e. Create a COVID-19 Parent Handbook with updated guidance for parents. f. Create a COVID-19 Staff Handbook with updated policies and procedures for all staff' Open additional classrooms, as needed	Director Operations Manager ASI Safety Committee	The Center reopens for inperson service to the campus community.	Opening plan was approved and the Center began providing in person services on August 17, 2020.	Center has remained open since August 17, 2020 with no closures due to COVID-19.
re-opening by adhering to health and safety guidelines issued by the CDC. a. Screen all individuals for COVID-19 symptoms b. Create sanitization stations through out the Center with check lists for cleaning and sanitizing indoors and out doors throughout the day. c. Update illness policies for children and staff prevening individuals from entering with facility with illness symptoms. d. Ongoing training of the staff at every level for health and safety procedures.	All Staff	sign an attestation log and have their temperatures taken upon entry. Sanitization stations and check lists were created. Updated health policies were created and inserted into the COVID-19 handbooks for families and staff. Monitor daily disinfecting check lists and the physical environment to	The Director and Associate Director routinely inspect spaces and inform the classroom staff if additional cleaning is needed.	As of 6/30/21, the Center has been operational for 44 weeks without a COVID outbreak or exposure. (90 children and 70 staff). Resubmitted a plan to Dr. Nelson to increase enrollment in spring 2021. It was approved for June 28, 2021 by opening another classroom and enrolling children under 12 months of age.

3.0 Move ASI towards becoming a con	scious Anti-Pacist (ensure the practices are completed. Monitor child and adult illnesses, sending them out of the Center and/or not allowing entry with mild illnesses. Adding COVID-19 safety topics to staff meeting agendas.				
[Create a sustainable organization for the future			accesses and through inn	povativo programming 1		
Purchase high quality children's books that focus on a variety of diversity issues for staff to read to children such as: a. Hair like Mine b. Hats of Faith c. Dreamers	Director	Purchased \$3,000 in books and distributed them to all classrooms.	August 2020	Completed.		
Provide Anti-Bias Focused training topics for teachers.	Director	Emailed Anti-Bias/Anti-Racism ECE materials to teachers. Use NAEYC Anti-Bias Articles and materials for inservice training.	August 2020. December 2020 And May 2021	Completed.		
Encourage full-time staff, when possible, to attend the Anti-Racism training provided by ASI.	Director	Staff attending the trainings monthly.	August 2020- March 2021	Completed. Majority of staff attended the 1/22/21 Anti-Racism training.		
Inbed anti-racism and anti-biased curriculum into the Monday night student staff training meetings	Director Associate Director	Obtain Child Development resources on the topic of race from academic agencies and inbed the resources into the student staff trainings.	Fall 2020 Spring 2021	Completed. Completed. More anti-biased topics were added to the spring 2021 student staff trainings.		
Check in with the full-time staff on the	Director	Add Anti-Racism	Fall 2020	Completed.		
topic of Anti-Racism to provide a format for disucssion		to the full-time meeting agendas.	Spring 2020	Fall 2020 – Received favorable feedback from all staff on ASI Anti-Racism tranings.		
				1/22/21, received positive feedback from front office staff on ASI Anti-Racism trainings.		
4.0 Assess whether any virtual services can be maintained in the future / Lessons learned from shifting operations to largely virtual/online. [Identify and implement assessment strategies for current programming.]						
Survey the student staff for their	Samantha Subuyuj	Four surveys	December 2020	Completed.		
feedback on the Zoomed staff trainings twice each semester.		completed by students	May 2021	November 2020 – Students provided favorable feedback. Surveyed students in May 2021. They believed virtual services worked but indicated they looked forward to in-person services.		
Survey the families to see if they feel connected to the Center using virtual formats twice each semester. (Zoom, phone calls, emails, newsletters, etc).	Sherry Velte Kim Madrona	Four surveys completed by families	December 2020 And May 2020	Completed in Spring 2021.		

ASI PEAK ADVENTURES

ABOUT

ASI Peak Adventures is an outdoor adventure provider for Northern California. We are dedicated to providing adventure education and leadership development opportunities for all ages. We have been guiding people on outdoor adventures since 1989, and have become the most unique, diverse, and affordable outdoor recreation provider within the Sacramento Valley. Our Adventure Specialists are passionate about helping participants feel at ease while daring to adventure away from home. Our offerings include backpacking, day hiking, camping, mountain biking, rock climbing, white water rafting and more! We teach snowshoeing, snowboarding, mountaineering techniques, cross country skiing and downhill skiing. We guarantee to boost participants' adventure confidence!

The Peak Adventures Challenge Center empowers individuals and teams to achieve greater results through a personalized learning experience they won't forget! Our skilled facilitators engage participants in interactive games that build relationship, challenging problem-solving activities to strengthen teamwork, and exciting climbing opportunities to inspire personal growth. Over 8,000 participants from Sacramento State campus groups as well as community and professional organizations benefit each year.

Our full service bike shop is known for its prices and remembered for its top notch service. Highly skilled service mechanics perform repairs, sell parts and accessories, teach bike maintenance classes and generally get cyclists and their bikes rolling, whether commuting or recreating. All of our programming is available to the general public, with Sac State students receiving special discounted pricing.

"Adventure Begins Here"

DEPARTMENT STATEMENT OF PURPOSE:

Peak Adventures' purpose is to kindle personal growth, leadership, and connections through experiences in the outdoors.

Action Plan	Responsible Party	Assessment Indicator	Time Frame	Progress Report
1.0 Market and Promote ASI Services t [Create an ASI identity that is recognized by the	•	•		
Utilize social media and other digital mediums to market programs. Incorporate 10 promotional give-aways per semester to boost attraction.	Marketing Specialist	Track impressions and digital reach through social media and website analytics	End of Spring 2021	Completed. We utilized social media to host 6 giveaways and incentivized participation at all (29) virtual events in fall 2020 with a Nalgene water bottle. Total participants engaged – 1,529
Create a product strategy to increase the sales of virtual team building programs to Sac State groups, community and professional groups.	Sales and Outreach Specialist in collaboration with Associate Director	Sell 24 Sac State groups, 8 community groups and 4 professional groups.	May 2021	Completed. As of May 20 th , we have sold and led: Sac State Groups = 89. We have sold will lead an additional 13 events that will occur before June 30 th . Of these 102 events, 55 were for FYE classes and 22 were/are for Transfer and First Year Student Orientation (11 last July and 11 this June). -7 community events (missing our goal by 1 event) -5 professional event (surpassing our goal by 1 event)
Collaborate with other ASI departments to provide programming to an "overlap" in audience to increase engagement.	Marketing Specialist	Hosting 2 feel good Friday's in collaboration with SEO. Partner on ASI week campaigns like Loop give-away.	End of Spring 2021	1 event) Completed. Collaborated on 2 feel-good-Fridays. One DIY terrarium event and one Nature Journaling event. We also partnered on ASI week events and the Loop giveaway.
Require the use of Peak Adventure zoom backgrounds during Challenge Center events and provide informative closings about Peak and ASI.	CC program coordinator in collaboration with Associate Director	Creation of standard closing script.	December 2020	Completed. 10 Peak Adventures branded backgrounds were created and uploaded to the website. Staff used PA backgrounds when their technology allowed. A scripted "Peak Pitch" was given at the end of every virtual teambuilding event that included upcoming virtual events, a link to our feedback survey, and our Instagram handle.
2.0 Alter and Adjust services to Campu [Implement Excellence in Service as a Core Value	•	ublic to function in a C	OVID-19 Enviro	nment.
Limit capacity of customers and staff in Peak Adventures. Enforce COVID-19 protocols which include face coverings, social distancing, and scheduled sanitization.	Bike Shop Manager in collaboration with the COVID-19 coordinator	Sanitization logs are completed daily, trainings are performed for all staff returning to work.	Until campus rescinds COVID-19 measures.	Completed.
Host clinics and workshops via Zoom and Instagram live	Bike Shop Manager, Outdoor Manager in collaboration with Marketing Specialist	Take all regularly scheduled clinics and workshops and convert to zoom or Instagram live.	Until in- person programming resumes.	Over 56 events were held with over 1200 participants for outdoor trips, clinics, and Instagram talks.
Conduct Basic Bike Maintenance and Advanced Bike Maintenance classes outdoors at the Challenge Center in conjunction with COVID-19 protocols.	Bike Shop Manager	Classes are offered and conducted for Fall 2020 and Spring 2021 semesters.	Fall 2020 and Spring 2021	Completed. Both BBM and AMB have been held.
Host virtual Diversity and Inclusion student panel.	Sales and Outreach specialist	Attendance goal: 20 with 4 campus department partners.	October 2020	Completed. Diversity Panel was held on October 8, 2020, virtually. We had 30 participants and partnered with panelists from Serna Center and the Pride Center. Also, the following departments helped promote the event: TRiO, ASI Board, Guardian Scholars, NSM Department, Serna Center, and Pride Center.

				The Peak received donations for our door prize from the following: Chipotle and the Aquatic Center
Conduct virtual class visits to talk to students about ASI and Peak Adventure services	Sales and Outreach Specialist	Outreach to a minimum of 100 instructors for class visits.	May 2021	Completed. During the 2020/2021 year, we reached out to 758 instructors for class visits.
Provide custom built virtual team building events for clients.	Associate Director in collaboration with CC Program Coordinator	Advertised and marketed on website.	May 2021	Completed. As noted on our virtual team building page, we provided customized events. As clients booked events with us, Team Leads collected client Goals and Expectations and created custom itineraries based on this information.
Assess and implement efficient training opportunities for Challenge Center staff that reduce training hours.	Associate Director	Re-structure training objectives, timelines, and structure to cut paid training hours by 20%.	February 2021.	Peak restructured our trainings by creating training videos and a Canvas "class" to track completion, updated training itineraries, and set new expectations for getting tasks on employee training lists completed. Next year's budget (21-22) was created to reflect this reduction in paid trainings/part-time wages under trainings (1001-1810-99999).
3.0 Move ASI towards becoming a con	•			
[Create a sustainable organization for the future Diversify recruitment sources for bike	e through the optimizate Bike Shop	, I		ovative programming.] Not Completed:
shop positions to embrace a diverse bike industry.	Manager	Identify and contact affinity groups at Sac State for available positions and request that they pass on this postion (with no experience necessary) to their members.	May 2021	No open bike shop positions in Fall 2020 or Spring 2021. Will seek to implement when there is an opening.
Alter the Outdoor Trip Scholarship to focus on diversity and inclusion in the outdoors.	Outdoor Manager in collaboration with Sales and Outreach Specialist	Change essay prompt to ask participants to describe their experiences with diversity in the outdoors.	End of Fall 2020.	Completed. The language was changed but has not been offered to students yet due to COVID-19 canceling in-person (paid) events.
Create a Peak Adventures book club open to all students, including authors from diverse backgrounds, and involving topics of inclusion.	Sales and Outreach Specialist	1 book per semester. 1 monthly meeting. Target attendance of 10.	End of Spring 2021.	Not completed: This priority has been paused for a variety of reasons: departure of sales specialist, and accessibility and financial capabilities to access books.
Full time staff will attend and actively participate in anti-racist trainings hosted by ASI	Director	Keep staff attendance to 70% of scheduled trainings	End of Spring 2021.	Completed.
Host and/ or partner on one film screening per semester that focuses on diversity and inclusion.	Marketing Specialist	Host No Man's Land in the Fall. Host Filmed by Bike in Spring.	May 2021.	Completed. Hosted "No Man's Land" Film festival and "Filmed By Bike" in Spring 2021. "No Man's Land", Peak partnered with Unique/The Union and had 59 registered participants. For "Filmed By Bike," Peak partnered with UTAPS and had 140 registered participants. Both film festivals focused on diversity, inclusion, and representation in outdoor spaces.
4.0 Assess whether any virtual services	s can be maintained	in the future / Lessons	s learned from s	hifting operations to largely virtual/online.
[Identify and implement assessment strategies	, ,			
Continue to offer virtual bike clinics via Instagram live: flat fix, how to lock up your bike, basic riding tips.	Bike Shop Manager in collaboration with Marketing Specialist	Virtual Bike clinics are hosted once per month during each semester	End of Spring 2021	Completed.

Conduct virtual pre-trip meetings	Outdoor Manager	All overnight trips requiring a pre-trip meeting will be held via zoom.	End of Spring 2021.	Not completed: No in-person trips were scheduled for academic year 2020-21.
Create video/photo training program for outdoor trip staff to increase the quality and quantity of digital content for marketing	Outdoor Manager in collaboration with Marketing Specialist	How-to handbook, reference videos, and in-person training will be created to train new outdoor trip staff	End of Fall 2020.	Completed.
Continue to offer virtual options for Challenge Center products to include: icebreakers, 2 hour and 3 hour programs.	Associate Director in collaboration with the CC program coordinator	Create one new icebreaker/energizer and one team building challenge a month to add to resource page	Spring 2021.	Completed. Write-ups were created and added to staff resource webpage.
Continue to utilize digital marketing and invest less in printing.	Marketing Specialist	Cut down printing by 25%, around \$1,000.	June 2021.	Completed. 2021/2022 printing budget was reduced. Marketing plans have been adjusted to favor more digital resources and less printing.

ASI STUDENT ENGAGEMENT & OUTREACH

ABOUT

The purpose of Student Engagement and Outreach (SEO) is to provide holistic student-centered programs and services that enhance student life and create lasting memories through community engagement, connection building, and creative exploration.

SEO's outreach and programs KSSU Student Run Radio Station, Safe Rides, the Food Pantry, and the A-Team offer opportunities that will assist students with personal growth, developing civic responsibility, embracing differences, and establishing connections within the campus and surrounding community.

DEPARTMENT STATEMENT OF PURPOSE:

SEO's purpose is to provide holistic student-centered programs and services that enhance student life and create lasting memories through community engagement, connection building, and creative exploration.

Action Plan	Responsible Party	Assessment Indicator	Time Frame	Progress Report
1.0 Market and Promote ASI Services to St [Create an ASI identity that is recognized by the Sac	•			
1.1 Connect with campus partners and share with them on how students can access the modified SEO programs and services in ASI. Keep students informed on services and programs available to them through ASI. 1.2 Promote and market ASI identity and	SEO Director	Contact three campus partners at least once a semester to market SEO programs and services. Update ASI website and social media accounts at least once every two weeks with the latest information on SEO/ASI services.	May 2021	Completed. Hosted student employment/recruitment; virtual job/ volunteer fair on April 22. Tagged and DM Sac State and Student Affairs social media posting. Shared changing the Food Pantry hours with CARES and Housing. KSSU's partnership with the Pride Center in producing podcast "On the Beat." Completed.
services through multiple non-traditional mediums such as podcast, blogpost, videos, interactive virtual programs and production of newly designed ASI promotional items.	Director	per semester that promote ASI identity and services. Produce two promotional/give-away items with ASI logo by the end of the academic year to be distributed through social media engagements with students.	May 2021	Produced multiple videos to promote ASI Election (x2 videos), Aquatic Center rentals, the Peak Bike Shop, Food Pantry. KSSU produced six blogposts; KSSU/Pride Center podcast (3 episodes). New ASI promotional items included socks, gaiters, masks, t-shirts, hand sanitizers, stickers.
2.0 Alter and Adjust services to Campus Co	ommunity and P	ublic to function in a COVID-19 Enviro	onment.	
[Implement Excellence in Service as a Core Value] 2.1 Reevaluate each program concept through critical lens to ensure students with different abilities and skills can participate in the program/service offer by SEO.	SEO Director	Adjust the Safe Rides program to provide more flexible reimbursement criteria for students residing outside Sacramento. Maintain weekly Food Pantry hours to serve students on and off campus. Continue to provide seven Pop-Up Pantry each semester in drive-through format. Facilitate Feel Good Friday virtually twice a month when classes are insession. Trained and onboard 40 KSSU volunteer DJ during the academic year to produce their own podcast from home. Each trained DJ will produce at least one show each semester to be streamed on KSSU.	December 2020	Completed. Safe Rides- expanded eligibility to 24/7 a week, without location restrictions. Expanding reimbursement from \$20 to \$40 reimbursement cap during Spring 2021. The ASI Food Pantry opened twice a week, without any closures. Flexed Food Pantry procedures by allowing students to pick up 2- week supply. Held 14 Free Grocery Drive Through in the Residence Halls. 17 Feel Good Friday hosted virtual events twice a month when classes were in session. 40 KSSU volunteer DJs produced podcasts during the pandemic. Created Google drive training resource materials for DJ. Hosted 3 technical workshops throughout the academic year. Six students attended CBI (national college radio conference).

3.0 Move ASI towards becoming a conscio	us, Anti-Racist C	Organization.		
[Create a sustainable organization for the future thr				
3.1 Provide ongoing training for SEO staff on identity development and ally ship through in-service training and weekly staff meeting discussion.	Student Service Coordinator; Student Engagement Coordinator	Organize and facilitate three inservice trainings per semester for SEO student staff. Invite other ASI employees to participate in relevant training and developmental dialogue. (ie. universal design, inclusion and accessibility in event planning) Conduct weekly professional staff professional development discussion (ie. MBTI, Food Insecurity, the art of having difficult conversations)	May 2021	Completed. Student staff professional development series included- SOL Diversity Conference; Pride Safe Zone training; Career Development/job search presentation; Communication in Social Media; Managing Stress During Finals; Universal Design Professional staff professional development series included: Public Speaking; Mental Health in the pandemic; MBTI; Imposter Symdrome
3.2 Present an opportunity for Sac State students to engage in meaningful dialogue on the impact of racism through the SEO book club.	SEO Director and Associate Director	Facilitate three discussion sessions during the academic year for students who are participating in the program on the one selected book to deepen students' understanding on racism.	March 2021	Completed. The Book Club had three meetings with eight students who actively participated. The book was "Stamped from the Beginning" by Ibram Kendi.
3.3 Market SEO student employment opportunities more widely to encourage greater diversity within the applicant pool.	SEO director and Associate Director	Provide job announcement and recruitment materials to four campus partners that work directly with underrepresented students on campus to encourage application submission from underrepresented students. Offer one virtual "interest session" during recruitment season to connect with the potential candidates directly and share with them what ASI has to offer to student employees.	May 2021	Completed. Virtual job/volunteer fair was held in April 2021 with recordings for future recruitment efforts. Communicate directly with Dean of Communication and Journalism Dept. Design Dept,communication and marketing classes to recruit potential candidates. Tag different departments on campus.
4.0 Assess whether any virtual services car virtual/online. [Identify and implement assessme			shifting opera	ations to largely
4.1 Collect student users and staff's feedback following each SEO event/student interaction on all parts of SEO operations to determine how virtual services can be implemented in the future.	Student Engagement Coordinator	Administer one SEO satisfaction survey at the end of fall and spring semester Administer brief program survey with three to five questions at the end of each virtual program to gather student feedback on the virtual active program.	May 2021	Completed. Fall/Spring semester survey. 463 responded in Fall 2020 173 responded in Spring 2021 Survey offered to Feel Good Friday and KSSU events particpants. Lower return rate.
4.2 Implement virtual SEO office hours for students from various locations outside the campus to access SEO staff during the time when the office is physically closed to public to answer student questions about ASI or getting involved on campus.	SEO Associate Director	Provide weekly appointments/virtual office hours for students to access SEO staff. Solicit student feedback at the end of the semester (fall & spring) on whether or not the new format to interact with the SEO staff is effective and welcome.	May 2021	Completed. Implemented the virtual office hours in fall semester. Students did not utilize the hours. Reassessed in spring semester and determined the demand for the virtual hours were not there. Reenvision "ASK ASI" as a platform for students to post questions to SEO staff about ASI services and programs.

ASI STUDENT GOVERNMENT

ABOUT

Associated Students is governed by a Board of Directors which is comprised of a majority of students elected by the student body of Sacramento State. Student representation and advocacy is their primary focus and passion. The Board of Directors is committed to providing student with the opportunity to be fully involved in the governance of the University and the development of an exciting campus life.

DEPARTMENT STATEMENT OF PURPOSE:

Student Government's purpose is to lead the Sacramento State community in serving the diverse needs of Sacramento State students by promoting leadership development, shared governance, relationship building, community betterment, and lifelong personal and professional growth.

Action Plan	Responsible Party	Assessment Indicator	Time Frame	Progress Report
1.0 Academic & Serv 1.1 Evaluate areas where		demic on Students Illeviating financial impacts from the pa	ındemic	
1.1.1 Survey all students to identify areas of financial hardships, with a particular focus on Black, Indigenous, people of color (BIPOC), firstgeneration college students, and underserved students.	VPF ECS HHS A&L EVP	Collaborated with student groups that serve our Black, Indigenous, people of color (BIPOC), first-generation college, and undeserved students to identify ways to alleviate financial hardship. Sent survey to all CSUS students to identify areas of financial hardships.	Mid-Year End of Year	Not completed. Workgroup decided to not continue with implementation of survey due to the creation of one through the Sacramento State Financial Wellness Division.
1.1.2 Collaborate with campus partners (Financial Wellness, Academic Colleges, etc.) on initiatives and resources to help the fiscal burden endured by students.	VPF UND GRAD NSM	Identified and supported initiatives that seek to lessen the financial burden of attendance.	Mid-Year	Completed.
1.2.1 Support training related to online tools to increase digital literacy.	ECS		End of Year	Completed. The workgroup met and reached out to campus partners who provide tutoring resources. None of the partners have responded to the emails sent. Support training - created a social media campaign and will do another one for Hornet Learning 101. ECS Director created three social media campaigns; "Ready for Remote Learning", "Steps to Success", and "Remote Learning." ECS Joint Council coordinated a resume workshop which 30 students attended. Promoted and advocated for technological resources for students.
