IV. PUBLIC COMMENT—NONE

V. NEW BUSINESS
   A. Department Presentations
      • Government – Sandra Gallardo, Executive Director
        See presentation attached.
      • Student Engagement & Outreach – Wil Chen, Director
        See presentation attached.

   B. Review of the ASI Student Employment Grant Application
      Programs that are granted ASI funding must provide acknowledgment of the source of funds by printing "Student Employment Supported by ASI" on all websites, social media, printed promotional material prepared for the program. Supported suggests not fully funding student employment. Who would do the checking? Is it a request or requirement? We should have acknowledgement of the ASI support. Include a photo of this for documentation. This item would be in addition to the final year-end report requirement. At least three (3) photos in the final report. We will create a logo and have on the ASI website for departments and programs to use on their website and printed material graphics to demonstrate acknowledgement.

      Add before bold no. 2 at least student employment supported by ASI. And then explicit in no. 5 also.

      C. Review of Operating Rule 400.4 – Travel Funds
         National Travel Fund and National Championship Fund
The proposed updated operating rules were shared with the Finance & Budget committee. The committee reviewed a proposed schedule of allocations which included:
Up to $ 625 $750 $875 $1000 Business department could create a funding grid. Different amounts for one traveler or multiple travelers. What about International travel? The current overall budget is $12,500 for the travel fund and $5000 in championship fund. We are adding an appeals process to both the National Travel Fund and National Championship Fund grant programs. Do we need to adjust for International travel up to $1000.00? We want to make as many clubs have access to the monies as possible so $1000.00 will be the maximum. Mark Montalvo will create a chart of regions and allocations for the board’s consideration.

D. Election of Finance & Budget committee vice chair
We have had several committee members volunteered to serve as Vice Chair. Kyle, Joshua Dhruvisha which can be elected by email or survey monkey for confidentiality. The committee chose Survey Monkey. Lisa will send out to the committee.
