C. Overview of 2026-2027 Budget Calendar

Interim Director of Finance, M. Ruiz, introduced the ASI's Budget Calendar for 2026-2027 fiscal year. Interim Director of Finance & Executive Director are currently in the process of reviewing the first drafts from ASI departments. In the next Finance & Budget meeting the committee will discuss Student Employment Grant and ASI's Capital Budget for FY2026-2027. Each ASI department will have the opportunity to present their budget to the committee and answer questions. It's highly important to have the committee approve the budget before it goes to the Board, otherwise ASI will not have an approved budget for the upcoming year. Attendance of each committee member is crucial.
