b. Discussion of re-allocation of DOC (Dollars for Organizations and Clubs) to ASI Scholarships and Summer Incentive Grant

The board has submitted legislation to distribute monies by doubling the number of ASI scholarships to distribute this spring to students. Prab read the legislation to the committee and went over the numbers of each scholarship that would be offered. This would support more Sac State students.

The second piece of legislation would reallocated \$13,600 to the Summer Initiative Grant. This would support student to take summer classes and would support those students are filling the through in Two, and Finish in Four making progress to graduation.

We have set aside funds to continue to fund clubs and organizations this semester and summer.
